To Whom It May Concern:

I am writing this letter of support for ShareFest, a wonderful community development organization that has done so much for Torrance Schools benefiting Torrance children and youth.

Each year ShareFest sends thousands of volunteers into our community to work on projects designed to meet tangible needs. They paint, clean, refurbish and beautify schools, parks, public facilities and private homes, all at no cost to the recipient. Due to their relationships with city, School District and other community leaders, school administrators, large and small businesses and the faith community, they can accomplish these projects at a fraction of what it would normally cost.

Your partnership and support is needed to help continue their great effort in the Torrance Community. Please consider joining us in making a difference for Torrance children and residents.

Further, I'd be pleased to verbally support this recommendation, so please feel free to contact me if I can be of further assistance.

Best Regards,
