

"You are the light of the world. A city built on a hill cannot be hid." -- Matthew 5:14

To Whom It May Concern:

City on a Hill has partnered with ShareFest for the past six years and has had a wonderful experience working together during their Annual Workday with schools in Torrance.

This past year, City on a Hill and ShareFest partnered together during their 6th Annual Workday to work at Howard Wood Elementary School. Our members and the community at large have seen the work of this great organization and the impact they have made in such a short period of time.

Please join me in supporting their continued work in Torrance, the greater South Bay and Harbor Areas to make a lasting imprint of positive change for our communities.

Sincerely,

A handwritten signature in black ink, appearing to read 'Steve Ernst', written in a cursive style.

Steve Ernst; MDiv, MA
Lead Pastor, City on a Hill
Police Chaplain, City of Torrance
