To Whom It May Concern:

I am writing this letter of support for a wonderful organization, ShareFest Community Development.

ShareFest has rolled up their sleeves and have completed multiple community beautification projects saving Torrance schools thousands of dollars. Through ShareFest's efforts, we have seen lasting tangible change throughout the South Bay. We have also seen the volunteer, project, and overall effort numbers grow each year.

Toyota Motor Sales, Inc. has supported the work ShareFest over the past few years and I have been proudly supporting this critical organization since its birth. ShareFest is making the right kind of difference in our community and can do even more with more resources. Please feel free to contact me if I can be of any assistance or answer any questions.

Sincerely,

Jack Hollis
