Chad Mayer, Director and CEO
Sharefest

Dear Chad,

Carson High School and I cannot express enough how grateful we are for making our campus the 2012 Sharefest 'Make A Difference Day' spotlight project. Your time, leadership, passion, and professionalism toward beautifying our campus and connecting us with community businesses and organizations has provided a wonderful opportunity for Carson High youth to understand the importance and value of youth, family, and community relationships.

Carson High and I have been blessed by your leadership, passion, and friendship. We look forward to a continued partnership and again thank you for all you've done for our school.

Sincerely and Appreciatively,

Windy W. Warren, Ph.D.
Principal
