- Both partners must submit an application to join the league. Space will be reserved after the first application is received but both must be received by the deadline.
- Choice of partner is at your discretion. However, if you need help finding one the pro shop will try to pair you with another single. Remember this will be your league partner for the entire season. You will compete in match play format against other two person teams.
- Flights will be based on team combined handicap
- All players must have an established USGA handicap to participate.
- Payment of \$100.00 per player, in addition to the Inner Club fee is due no later than March 11th.
