Rules for the competition:

Competitors are to check the draw for their Chest Guard Colour and when appearing before scrutineering must have all gear on for checking including mouth guard. Failure to have all necessary equipment will result in disqualification. When you have passed scrutineering, you will be issued with a Post-it note on your chest guard to show the centre referee you have passed scrutineering. This will be signed by the official.

The rules follow the World Taekwondo Federation Rules for competition but there may be some minor alterations to suit our event. Players who strike the body legally will obtain 2 points, with a spinning motion will gain 1 point for a total of 3 points for a spinning technique. For those competitions that allow head kicks, a legal head kick will score 3 points or with a spinning motion, 4 points. Scoring will be done via IPADS and centrally displayed. Deductions are 1 point and new pushing rules will be enforced.

For all ages and belts, NO HEAD KICKS ARE ALLOWED, deductions will be awarded for even accidental head kicks and potentially disqualification. **We will allow head kick matches for higher than yellow belt and over the age of 12 only if requested on the entry form and both players agree.**

At the conclusion of the match, proceed to the scrutineer's desk to declare your result, and if applicable receive your medal.

The draw will be available on Thursday 27th July at TRYTKD.COM
