

BECOME AN ELECTION JUDGE

Election Judges are an integral part of the electoral process. They are responsible for administering the voting procedures at every polling place within the county. It would be impossible to conduct an election without them. They are the **ONLY** contacts between the Election Office and the general public during voting hours.

Dorchester County Board of Elections is continually looking for citizens who wish to serve as election judges during the Primary and General elections. Election judges serve on Election day from approximately 6:00am until all duties are completed after the close of the polling place at 8:00pm.

Duties include making sure that qualified registered voters can vote in a trouble-free, bipartisan environment. Election judges must possess good judgement, be reliable, and courteous. In addition, and most importantly, they **MUST** be able to accurately follow procedures.
