Nature appreciation

While stopped on one of the rest service areas of the M5 on our way home from our cottage in Combe Martin, Devon this morning (16th May), I observed two things of special note. Firstly, a pair of blue tits were raising their family in a hole in a security camera mast; both parents were working flat out to feed their ever-hungry offspring! Secondly, on inspecting a plant of 'Jack-By-The-Hedge' (*alliarica officinalis*), I discovered nine eggs of my favourite butterfly, the Orange-Tip. What a healthy number of eggs to further the population of this beautiful insect.

Senior Club

In May we sang Happy Birthday to four ladies: Sylvia, Eileen, Jackie and Betty; they each received a card and a small present.

Our first outing on 1st May was to Ross-on-Wye for a coffee stop. Here we had a shower of rain, but most of us missed it as we were drinking our coffee. Our next stop was Monmouth and by this time the sun was shining. We then travelled down the Wye Valley and Terry, our driver, drove us to Tintern Abbey and on to Chepstow Castle. Here we drew our raffle before coming home via the Severn Bridge, which several travellers had not been over before. The weather stayed fine for us to get home. We welcomed new people on this trip and everyone enjoyed the day.

On 29th May, after three days of rain and more forecast, we set off to Poole – fingers crossed – we all got on the coach dry, then came drizzle and even the sun shone for two minutes, then more drizzle, then dry for when we arrived. For two hours the skies cleared and it was much warmer than of late. Just as we boarded the coach, down came the rain, but within twenty minutes the sun came out and stayed with us all the afternoon, which we spent in Swanage. It was lovely to sit around and enjoy the sea. On the way home we had a downpour for 10 minutes or so and then the sun came out all the way home. We stopped off to do the raffle and couldn't believe our luck. Yarnton was wet when we arrived but luckily no rain, so we all escaped the showers and had a wonderful day. We welcomed five new travellers, and many thanks were given to Terry, our driver.

Our outing for July is on 24th when we shall do a tour of Somerset, stopping off as usual at various towns, etc. Again we will be pleased to welcome anyone who would like to join us.

As I was away at the last Club meeting, I was not there to welcome three new ladies from Erdington House; hopefully they will continue to come and I will meet them next time. This makes four new members this year, which is wonderful.

Sandy Lane Level Crossing

Sandy Lane Level Crossing is an automatic half barrier crossing that is operated by trains as they approach and pass the crossing. The crossing operation is monitored by signallers in Oxford signal box. This level crossing is inspected at least once every four weeks. The equipment at the crossing and its operation meet requirements set by and agreed with the Office of the Rail Regulation.

What can the road user expect to see?

- As a train approaches, the yellow road traffic lights illuminate and the audible warning starts to sound, followed by the flashing red lights and barriers lowering. Not less than 29 seconds after the yellow road traffic light illuminates a train will pass over the crossing. This time period may be longer for slower trains e.g. freight trains. The barriers will remain down and lights continue to flash if another train is approaching on the other line.

What happens if the crossing fails?

- Level Crossings are fail safe designed, i.e. if any of the train detection equipment fails then the crossing will activate (red lights will flash) even if no trains are approaching.
- If the barriers stay down after trains have passed or the crossing operates without trains passing, this is usually due to the operating system becoming out of sequence. The crossing operating system will keep the barriers in the down position for 2 minutes or longer until all the circuitry has completed a self check. Another train could approach while this check takes place, so **never** assume that it is safe to cross while the red lights are flashing.
- If the crossing fails, an alarm alerts the signaller, who then advises drivers of approaching trains. Each train will be driven at reduced speed approaching the crossing, with the train horn sounded as an additional warning. Network Rail staff are despatched to the crossing as soon as possible.

What should road users do?

- Stop if the red lights are flashing. Do not cross even if the barriers are up.
- Do not enter the crossing unless the exit is clear.
- Do not slow down or stop when going over the crossing. Trains running at the maximum line speed cannot stop short of anybody failing to obey the stop lights.
- In the event of an emergency at the crossing, call the signaller from the dedicated road-side phones, which are on both sides of the crossing.
- If reporting a failure of or misuse at the crossing, please give as many details as possible, as soon as possible; this makes any investigation easier and quicker to resolve.
- To report crossing misuse, trespass or railway crime, call British Transport Police on 0800 40 50 40.

Where to find out more?

- The Highway Code gives instruction on the correct use of level crossings.

Yarnton Bandits

16 members turned out for the game at Bicester Golf Club on Sunday 25th May. The course played long with some demanding holes, but was in fabulous condition. Best of the day was Andy White shooting 32 points and edging out Graham Woods into second spot on countback. Third was Ben Davies with 29 points, and fourth April's winner Adam Wells on 27 points. Graham also took nearest the pin and Andy nearest the pin in two, the top two again taking the honours.

Woodstock U3A – another successful year

Woodstock U3A's AGM in March was attended by a record number of its 100-plus members – a tribute to its on-going success. Now in its 8th year, the Woodstock branch of U3A has 18 specific Interest Groups running each month – all well supported by the members.

Instead of its usual monthly speaker, an 'Entertainments' afternoon was organised and run by some of groups. The audience was treated to music from the Recorder Ensemble, a play reading, madrigal singing and 'Living History' readings. A fine display of work by the Art Group was also much appreciated.

The newly elected chairman, Ann Applegate, said 'Coming from zero to over 100 members in only 8 years demonstrates that Woodstock U3A is an organisation that is important to the area. The wide variety of its groups also shows the diversity of interest and talent within Woodstock U3A. This was superbly demonstrated in the 'Entertainments' event at the AGM. I look forward to increasing our membership even further during the coming year.'

Speaker Programme for July – September

Yarnton Park - Dogs

Yarnton Playing Fields has received further complaints from residents about the increase of dog walking in Yarnton Park (Rutten Lane Playing Field). There are 'No Dogs' signs at all three entrances to the park, and these are there for a purpose, i.e. health and safety for the park users.

The Cherwell District Council Dog Warden has been informed of this problem and will be making regular checks, so please obey the signs.

There are many areas in and around Yarnton for walking dogs, but only one children's play area!

Thank You, YPFMC

'Send down your Holy Spirit'. Around this time, anxious ordinands up and down the country get ready for the biggest day of their lives. Suddenly, with a few words and a wonderful day spent in one of our glorious cathedrals, many individuals will be ordained. I remember the day as if it were yesterday. The sun streaming through the cloisters in Durham Cathedral. It was an incredible day for all of us. Ordination is a rather curious thing, I sometimes think. With one swoop of a bishop's hand, life is changed forever. It is, of course, not the bishop who does anything remarkable, but God working through him as he sets us apart for a particular job. The Holy Spirit is reserved for some rather special jobs. In our reading today (it happens to be Pentecost Sunday as I write) we hear of men and women doing amazing things after receiving the gifts of this Spirit. Suddenly, ordinary folk like you and me were prophesying, praying out loud, healing people, preaching in the streets and generally transforming the world. This is the same Spirit that acts today, not just in cathedrals, but in our streets, in our homes and in our schools and places of work. Imagine, a power so great that you had no choice but to be swept along with it, an infectious wave of joy and hope. We are rather calm and collected (most of the time) in our churches in Yarnton and Begbroke. You won't see much in the way of spontaneous acts of healing or speaking in tongues. The Holy Spirit, though, works in subtle ways as well, much more suited to the sensibilities of the British.

I was speaking to one of our young mothers who has been having a terrible time forgiving a family member who wronged her, and caused her many years of pain and upset, a separation that was deep and seemingly permanent. With prayer and with determination, this is now a thing of the past, life has opened up and the family are reconciled and happy.

Another experience was of speaking with a parishioner whose husband had been terribly ill, unable to walk or function without lots of help. He was determined to get better, even when the doctors had no clue where to go next with his treatment. He comes and sits in Yarnton church. Every day, he lights a candle, sits in the silence and asks God to be with him. He is now giving thanks that he been able to see his grand-child and even plan for the future.

The Holy Spirit is God's way of being with us, and making His presence felt. He says He will always be with us, even when we forget to take notice, or completely forget about Him, which is often. We pray for people young and old, who are giving their lives in extraordinary service of others at this time. We remember those who gave their lives as we pause to think of D-Day and the incredible gift of life they have given us. May God's Spirit be a re-assuring reality this Pentecost for all of us in Yarnton and Begbroke. *Nathan*

Yarnton W.I.

We don't have a speaker this month, but a visit by two members from Cassington W.I. who have been undergoing treatment for breast cancer, and are very kindly going to share their experiences with us and answer questions. We hope if the weather is fine to open the doors and use the Village Hall garden for our refreshments. We shall have our book stall and a raffle, and tea hostesses are Doris Tresise, Jennifer Watts and Sheila Westall.

We meet at the Village Hall on Thursday 10th July at 7.45 p.m. and visitors are always welcome.

Our summer meal on 9th July will be at the Victoria Arms, Marston, 6.45 p.m. for 7 p.m. Please let Rosemary know (tel. 730188) if you would like to come and haven't put your name down. We need to order our meals in advance, so there is only a short time left to do this.

A Treasure Hunt around the village has been arranged for the evening of 14th August, ending with refreshments at Sheila Westall's. Members and friends are all welcome - please bring a small plate of finger food to share.

We are also planning a visit to the OUP museum on 23rd September, starting at 2 p.m. More details to follow.

Established in 2005, our golf society has a current membership of 27. We usually play on Sundays once a month on courses locally, and occasionally within an hour's radius. August 2014 sees our annual golfing weekend away to the Old Thorns where our Claret Jug is contested. An Order of Merit is awarded annually to our most successful golfer.

We meet at the Red Lion
on the first Monday of each month at 8 p.m.
New members will be very welcome

If golf is your game then why not come along as a guest?
If you enjoy yourself you are welcome to join us as a member.
Either contact Sue or come along to our meeting.

CLA Game Fair: The CLA Game Fair is taking place at Blenheim Palace on 18th – 20th July. The major impact on Yarnton is likely to be the significantly increased traffic flow along the A44. The Parish Council has been assured that traffic officers on motorcycles and the police will monitor and ensure possible problems at the two roundabouts and Budgens/BP Garage will be minimized.

Temporary Road Closure – Yarnton Lane Level Crossing: A Temporary Traffic Regulation Notice has been made to implement the temporary closure and will operate overnight from 11 p.m. on Saturday 5th July to 5.30 a.m. on Sunday 6th July and from 11 p.m. on Saturday 12th July to 5.30 a.m. on Sunday 13th July to enable essential level crossing testing work to be carried out. Access will be maintained for emergency service vehicles and for those residents within the closure area, subject to the progress of the works.

Grass areas in The Paddocks: The Parish Council has recently received complaints from residents in The Paddocks about footballs being kicked into gardens, over walls, etc. The original plans for the Wimpey estate have been checked and they state that these areas of grass were designated as 'open plan for recreational purposes'. It would be appreciated if you could be mindful of this, so if you're someone playing ball games, please keep the ball off private property, and if you're a dog walker, please pick up after your dog, so the area can be used for the original purpose.

Fixmystreet website: www.fixmystreet.oxfordshire.gov.uk is an easy to use website designed to help Oxfordshire residents to report, view, or discuss local highway faults directly and quickly to Oxfordshire County Council by simply locating them on a map. You can report faults linked to amenities or problems that are broken or dirty, damaged or dumped, or need fixing, cleaning or clearing such as: abandoned vehicles, dog fouling, flyposting or graffiti, flytipping or litter, unlit lampposts and potholes. Please make use of this website if you think anything in the village needs reporting, as by using the website you can see if it has already been reported and any update applicable.

Compostable Caddy Bin Liners: Caddy bin liners can still be purchased from the Parish Council Office in the Village Hall on Mondays and Thursdays between 9 a.m. and 11 a.m., or will be delivered by arrangement if more convenient and not possible to collect. The price is £3 (three pounds) per roll of 40 liners. Telephone 378476.

Welcome to Yarnton Booklets: The booklet can be viewed on the web site www.yarnton-village.org.uk and is available from the Parish Council Office at opening times, and also from the Post Office at Budgens Shop.

Looking Closer

As I write I am sitting in our field on the outskirts of Otmoor – it's a lovely hot sunny day. It is a wonderful time of year, lots of buttercups and moondaisies cover the field and birds sing everywhere as they busy themselves finding food for their young.

We managed to camp in the field a few weeks back on the first really hot weekend of the year, so we were spoilt with the weather, but also with seeing the cuckoo and hearing him singing from 4 a.m. every morning.

My dad loved everything to do with nature and so I feel he has given that gift to me. Since he died nearly 2 years ago, I find my interest has grown even more, as he is not here to tell me things; I have to find out for myself and that makes me look more closely at everything.

I was looking more closely at the buttercups and noticed they are so shiny, reflecting the sun, and it makes them glow. A bumble bee sat on my hand and rather than shake it off I watched it. It spent the whole time cleaning itself – first one leg, then the other. (I hope he checked behind his ears!).

My husband has a new microscope which you can look at things in close-up on the computer. It is awesome to see the detail on insects and flowers, etc. We have been watching tadpoles from our pond close-up with the grandchildren, and it is quite amazing to see how they have developed and grown back legs. We are waiting to see their front legs appear and for them to look more frog-like.

So, if you can, spend some time looking at nature close-up and see how amazingly it is made.

Fraser's
Budgens
of Yarnton

SUBWAY
eat fresh.
live green.

Wimbledon runs from 23rd June to 6th July this year and is a fantastic excuse to crank up that BBQ, dust down the Pimms pitcher and be liberal with the cream on your strawberries! Remember we have a wide range of BBQ products in the store – both SuperValu (own brand) and the truly excellent Meat Joint (from just up the road!) As always, we have all the ingredients for your perfect summer Pimms, plus great value British strawberries to drown in that cream. All we need now is the sun – and with Wimbledon on it's anyone's guess!

On 12th July Fraser's Budgens will be **entering a team into the annual moonlight stroll** in aid of Sobell House, our chosen charity. Sobell House Hospice provides care for people in Oxfordshire with terminal illnesses, and support for their families. Every year over 1000 people take part in the 9-mile night time walk through the streets of Oxford. We will be entering a team this year as we look to raise money for this worthwhile cause. You can donate at the tills with your shopping or go onto our Just Giving website at www.justgiving.com/frasersbudgens

PLATINUM CLUB

This month sees the launch of our **free prize draw**. For members, all you will need to do is enter on the Fraser's Budgens website. Last month was a taster through the Budgens 'Win a Samba Party' competition, but now each month you could be in with a chance of winning a range of products; keep an eye open for this great addition to the club!

This is on top of the current benefits for joining the Platinum Club at www.frasersbudgens.co.uk

Local Supplier Tasting Days

As you'll be aware, at Fraser's Budgens we **love local** products, whether it be meringues from **Cotswold Meringues**, meat from the **Meat Joint**, ales from **Hook Norton** or bread from our traditional craft baker, **Cornfield Bakery** (as shown in the picture) – amongst others!

During the Summer we will be holding various **local supplier tastings**; keep any eye out for these to try before you buy and **meet the maker**!
