MONTHLY QUIZ  
‘devised by Sir Percy’

In this month’s issue you will find the sixth in a series of short monthly quizzes. Each quiz has twelve questions; some you will know off the top of your head, many you will have to look up. Once you have answered them, study them to discover the link. Each month has a different link, and only naming the link will afford you a shot at victory! (You may not need all the answers to find the link). The answers to the July quiz are on page 15.

The link information can be found from part of each answer, the whole answer, or a phonetic part of the answer (e.g. hare might mean mean hair, doe might mean dough). This month the lucky winner will receive a bottle of Prosecco from the Wine Rack and also a box of chocolates. In December, there will be a final quiz with its own link, then a chance to win a bumper prize if you can find the link between all the quizzes (more info on this in December!).

Please note that the closing date is 20th of each month, so please get your entries in promptly. Post your answers in the designated Yarnton Village News box located in Budgens - by the bananas.

Many thanks to the Wine Rack for having donated such a generous prize. Good luck!!

When possible items of importance will also be posted on Spotted Kidlington/Yarnton and Yarnton Community pages of Facebook. Yarnton Community page has been set up on Facebook to publicise local news and let village organisations publicise events and news. Flytipping: (From CDC website) Flytipping can be dangerous. You can report incidents of fly tipping within Cherwell District online by following the links on their website. Cherwell District Council are responsible for acting on reports of fly tipping to both remove the waste which is on public land and to locate and prosecute the offenders. Where the waste is hazardous the council has a responsibility to ensure public safety until such time as the waste can be removed. It would be helpful with the investigation if the person making the report could leave contact details, so that we are able to confirm location of the fly tip and obtain any further information relating to the incident. Investigations are carried out to obtain any evidence that may help in identifying the offender. Arrangements are then made to clear the waste from public or council land. If the tip is on private land, then the land owner will be responsible for having the waste removed. If a potential fly tip has been found, it would be helpful to report the incident to us as soon as is possible so that any evidence that might still be in place can be obtained.

Dog Fouling: It is an offence not to pick up after your dog, but it is also very offensive to members of the public to see dog bags dumped in hedges. PLEASE PICK UP DOG MESS IN A BAG AND DEPOSIT IN AN APPROPRIATE PLACE, preferably one of the 12 dog bins located around the village, but they can also be put into your household green bin if that’s preferable to you. Compostable Caddy Bin Liners: Caddy bin liners can still be purchased from the Parish Council Office in the Village Hall on Mondays and Thursdays between 9 a.m. and 11 a.m., or will be delivered by arrangement if more convenient and not possible to collect. The price is £3 (three pounds) per roll of 40 liners. Telephone 378476. Dog bags are available free of charge at the same times.

Fixmystreet website: www.fixmystreet.oxfordshire.gov.uk is an easy to use website designed to help Oxfordshire residents to report, view, or discuss local highway faults directly and quickly to Oxfordshire County Council by simply locating them on a map. You can report faults linked to amenities or problems that are broken or dirty, damaged or dumped, or need fixing, cleaning or clearing such as: abandoned vehicles, dog fouling, flyposting or graffiti, flytipping or litter, unlit lampposts and potholes. Please make use of this website if you think anything in the village needs reporting, as by using the website you can see if it has already been reported and any update applicable.
It was very pleasing to see our A team maintain their 7th place from last Summer in Division Two of the Oxfordshire Summer League, and also exciting to see the newly reformed B team finish 3rd of ten in Division Five. Congratulations to all players. The AGM in July saw new members taking on committee posts, which augers well for the future development of the club.

Training will recommence at Rutten Lane on Tuesday evenings 7.30 p.m. to 9 p.m. from early September. New members (16+) are welcome throughout the year with an initial couple of sessions free of charge. If you have an idea that this could be your new fun and fitness activity, do come along in easy clothing and bring a bottle of water; we would love to see you. Please contact our club secretary at yarntonnethallclub@outlook.com for further information.

As a Commonwealth Games Sport, the England team will travel to Australia next April to compete against the top six countries in the world; as always the toughest opposition will be Australia and New Zealand, with Jamaica also giving us a hard chase. Further information on England Netball website.
We had a very successful Craft Evening for our August meeting, with various crafts demonstrated by members and friends, and a chance for people to have a go. Thanks to all who helped with the evening.

Our speaker this month is Victoria Wright, whose talk is entitled 'Living Herbs' and covers kitchen herbs and their uses in medicine. We meet in the Village Hall on Thursday 14th at 7.30 p.m. Visitors are always welcome. We shall have our usual book stall, and tea hostesses will be Jaqueline Cook, Shirley Costar, and Sylvia Davis.

The coffee morning this month will be on Tuesday 26th September at Portabello in South Parade, Summertown.

The next Meeting of the Kidlington & District Historical Society is on Tuesday 26th September, when Founding Member of the Society, Valerie Offord, will give a talk entitled ‘Miss Jemima’s Excellent Adventure - the tale of the first Thomas Cook package tour’.

This month Guy James will have conducted our band for twenty years, a magnificent example of service to music and our community. Twice a week Guy travels from Long Hanborough, not just to conduct but also to take players for individual tuition, and during the twenty years he has not been paid one penny! Guy came to us from the City of Oxford Band where he had been the Bandmaster and played the euphonium. As if two evenings a week in Yarnton is not enough, Guy also plays Eb Bass with the Witney Town Band. In support his wife Helen not only plays euphonium and/or baritone horn in our band (see the back of the blonde haired player above) but also organises events for the band.

At our annual concert at 7 p.m. on Friday 24th November we hope to make a small presentation to Guy, and we invite any former players to attend - you don’t have to play on the night because the stage will not be large enough! **If anyone wants to donate then please donate to Yarnton Band but with a note ‘for Guy James’**. Donations can be sent to 1, Little Blenheim Yarnton, Kidlington, OX5 1LX. If anyone has old photos or programmes can you also deliver them to the above address or email them to peter.hewis@hmc.ox.c.uk we can make copies and then return the originals.

Senior Club

Our members celebrating birthdays seem to go back a few months. In June we had Ken, Heidi, Pat and Julie. The usual greetings were given to all of them. In July we all went for tea at the Red Lion. A delicious buffet was spread out for us, we sang Happy Birthday to Mavis, and Marjorie gave a vote of thanks to Kerry and her staff who made us very welcome, and let us stay as long as we wanted to. We only had one birthday in August, so again we sang Happy Birthday to Chris. We also changed our minds and another outing was planned for 24th August, this time to Weymouth. We have had quite a variety of events this year so far, and have others arranged until the end of the year.

Ride and Stride – 9th September 2017

Oxfordshire Historic Church Trust organises an annual Ride and Stride sponsored event to raise essential funds to repair, restore and improve the county’s churches. This year’s event takes place on 9th September. Participants travel between our wonderful churches, enjoying their architecture and history, which, let’s face it, we often take for granted. The funds raised ensure their beauty can be appreciated by future generations. So why not get on your bike, feet, horse, tractor or any form of transport you choose, to search out and support all the finest church architecture ‘the trust’ has to offer? Believe it or not, churches do not mend themselves; they need constant repair, maintenance and improvements. Our churches are not only places of worship, they are community focal points, providing a venue for playgroups, events, celebrations, festivals, as well as being a place of peace and sanctuary.

Our Ride and Stride event is the perfect opportunity to get outdoors as a family, get some exercise, give back to your community and seek out some of our hidden treasures. Why not check out the glorious fan-vaulted chapel at North Leigh or count the gargoyles in St. Mary’s at Adderbury?

Thanks to over 500 participants we raised £115,000 last year, but that isn’t enough to help our churches and communities in need. Why not take the challenge and help us to reach our 2017 target of £140,000. Over 500 churches in the county will open their doors to participants between 10 a.m. and 6 p.m. Age is no excuse, our youngest participant last year was just a few months old and our eldest ninety one!
