*Thank you to Jessica Quinn who has volunteered to manage the MCA's online presence on Facebook and the website. This is an important part of the Communications role.

*Thank you to the Fellowship of the Rink, all those who have worked on making and clearing the ice this winter. There is still good ice under that snow if you want to help clear.

* Thank you to Nicole Hamel who will be organizing the Family Movie Nights, taking

over from Rennae Pillipow who has been doing this for many years.

* Thank you to Val Stanley and her committee who are working on a service agreement for the community along with the Regional District.

* Thank you to the folks on the committee working on an Emergency Preparedness Plan for our community. Look for more information on this in the next newsletter. Gary Dean is leading this group.

* Thank you to Marilyn Schmaus for organizing the fall craft fair which made a generous contribution to the MCA.

* Thank you to Roy Shields for freely giving his electrical and maintenance expertise for the rink and hall.

* Thank you to the volunteer cooks, cleaners, servers, and shoppers who put on an awesome Christmas Brunch for over 70 people. Special thanks to Santa Claus and the story teller for making time to come to Miworth!
