

3 Ideas

2 Uses

1 Commitment

Standards: Digging Deeper

Directions: Individually read your standard. As a team discuss its key points and your insights about this standard. Then, working collaboratively, prepare a chart using the template below that you will display for your colleagues who are studying different standards.

Standard Name: _____

<p>Key Points (What information or ideas are important to know about this standard?)</p>	<p>Standards in Practice (What behaviors will you see if this standard is fully implemented?)</p>
<p>Steps to Take (What steps are necessary to implement this standard?)</p>	<p>Next Actions (What next steps are you committing to take?)</p>

Beliefs and Assumptions

Professional learning is . . .	Strongly Disagree	Disagree	Agree	Strongly Agree
1. The primary strategy that school systems have to ensure that all educators continue to improve their effectiveness.				
2. The vehicle to improve individual, team, and school wide performance.				
3. The process that fosters collective responsibility for the success of all students.				
4. The system for engaging all teachers in learning teams committed to continuous improvement.				
5. The great equalizer that ensures that all—not just some—students experience great teaching.
