

**Modesto Parent Participation Preschool, Inc.**  
**Photo Release**

**Pictures of Unnamed Students:** Students may occasionally appear in photographs and videotapes taken by school staff members, other students, or other individuals authorized by the school Director. The school may use these pictures, without identifying the student, in any publication, including but not limited to the school yearbook, school newspaper and school website. No consent or notice is needed or will be given before the school uses pictures of unnamed students taken while they are at school or a school-related activity.

**Pictures of Named Students:** Many times, however, the school will want to identify a student in a school picture, including our school yearbook. School officials want to acknowledge those students who participate in a school activity or deserve special recognition, however, Modesto Parent Participation Preschool will only use a child's first name. Furthermore, MPPP will not use any names (first or last) on our website, except in our secure area. In order for the school to publish a picture with a student identified by name, one of the student's parents or guardians must sign a consent form. Please complete and sign this form to allow the school to publish and otherwise use photographs and videotapes, with your child or ward identified, while he or she is enrolled in this school.

\_\_\_\_\_ **I grant consent to Modesto Parent Participation Preschool to identify a picture of my child or ward, by first name and/or the school he or she attends, in any school sponsored material, publication, videotape, or website. This consent is valid for the current school year for a child or ward enrolled in Modesto Parent Participation Preschool. I may revoke this consent at any time by notifying the School Director.**

\_\_\_\_\_ **I DECLINE consent to Modesto Parent Participation Preschool to identify a picture of my child or ward, by first name and/or the school he or she attends, in any school sponsored material, publication, videotape, or website. This DECLINE is valid for the current school year for a child or ward enrolled in Modesto Parent Participation Preschool. I may invoke consent at any time by notifying the School Director.**

**Pictures of Students Taken by Non-School Agencies:** While the school limits access to school buildings by outside photographers, it has no control over news media or other entities that may publish a picture of a named or unnamed student. Without parent/guardian consent, school staff members will not identify a student for an outside photographer.
