WORK EXPERIENCE

Lead Researcher and Director - "Searching for Peace in Iraq"

01/10/2009 - 01/10/2010

- Main activities and responsibilities**
1. Strategic Conflict Assessment: Assessing key aspects of the conflicts, conflict dynamics, actors, sources, pillars, enablers, blockers using an integrated SCA methodology
 2. Cumulative Impact Assessment: Assessing lessons learned and cumulative impact of civil society engagements for peacebuilding in Iraq to understand the cumulative impact of projects carried out by a wide-range of actors including NGOs, community-based organisations, international NGOs, local authorities and others, to realistically and appropriately assess achievements and shortcomings, and to identify key areas for further work while learning lessons from what has been done
 3. Strategic Peace-building Proposals: Recommendations to civil society actors, donors, and national and international agents involved in peace-building and nonviolent work in the region to improve the quality and impact of their programs and their strategic direction.

Develop research methodology for the three components of the research program; lead a team of three researchers plus two support persons; carry out two research missions to Iraq.
