

AUTHENTIC INDIAN BEER

BREWED IN INDIA

NOW IN USA

Devans Modern Breweries Ltd., the flagship company of the DeVANS group which owns GODFATHER BEER, was incorporated in 1961 and has two big, modern breweries with a total manufacturing capacity of 1,150,000 hectolitres of beer from where it brews quality beers of international standard under strict quality control supervision. DeVANS has received a number of awards for adhering to quality parameters. DeVANS is a family company now in it's third generation.

GODFATHER BEER, an easy to drink lager beer brewed using the best malts available in India and quality German bitter and aromatic hops is available in two variants having alcohol strengths of 6.5% and 4.5% with a clean, hoppy and malt flavour. The brand is presently being exported to a number of Countries including USA, New Zealand, Australia, Singapore, Hong Kong, Japan etc.

Alcohol content: 4.5% by volume
Taste: Light and smooth, with hoppy and malt aromas
Malt: Best quality Indian malts made from specially selected barleys
Hops: German Pellets - both bitter and aromatic

Alcohol content: 6.5% by volume
Taste: Rich, smooth, full bodied with hoppy and malt aromas
Malt: Best quality Indian malts made from specially selected barleys
Hops: German Pellets - both bitter and aromatic
