

## Getting Involved

### Charitable Gifts

We are owned and operated by Pulaski Health Foundation. A nonprofit 501 (c) 3 organization.

## Charitable Gifts

Parkview Haven is a Life Plan Community faith based nonprofit organization committed to continuing the work our brethren started when they dedicated it in September 1978, "To Glorify God by Serving Humanity". As such, we rely on gifts from individuals, businesses and Churches of the community for support in working our mission.

### Types of Gifts

**Unrestricted Gifts** are used after deep discernment of the Board of Directors.

**Charitable Assistance Gifts** are used to allow for uncompensated care of residents who have exhausted their personal funds.

**Restricted Gifts** are when the donor designates a set purpose for their gift.

**Memorials and Honorariums** are gifts in memory of or celebration of a loved one's life.

**Endowment fund gifts** are never spent. The monies contributed to this fund remain there, never touched. The interest earned from the fund is used in our Charitable Assistance Program
