Fusing Ancient Wisdom with Modern Techniques in Nature

Prior to Your Visit

We begin with a Face-to-Face Online Discovery & Synchronizing session

Following up with a Coaching Session- To deliver the Strategy Map for your unique Transformational Experience.

Upon Your Florida Arrival...we will have someone waiting for you at the airport...creating a stress free entry into the nature filled *Life-Advancement* Retreat Center.

Once you have entered through the gates of the private preserve...

Nestle into your beautiful freshly designed comfortable home away from home...filled with calming soothing energy. Take comfort in knowing you will be eating healthy meals customized to your needs. You will sleep easily as your mind appreciates being far away from all worldly distractions.

We will begin connecting you with the sacred land...honoring all the Mothers of Nature with a barefoot walk on the energized earth through the meditation gardens to meet all the vortexes we will be grounding you in.

A special stop to honor the Mother Tree on the land with a sacred tree ceremony.

Preparing you with a clearing ceremony at the pristine serene lake with Mother Water & surrounding waterbirds, turtles, otters and more.

Throughout your experience of opening your senses- we will be paying close attention to the animal totems that reveal themselves and listen for their messages.

Opening a layer with Mother Fire- a powerful Agnihotra fire ceremony to connect the ancestors of the land with yours and going deep into a place where barriers of time no longer exist.

Your Body, Mind & Spirit will quiet as your senses open to hearing and seeing so much more than before and connecting deeply with plant intelligence.

Vassa will open with the Oracle with poignant questions to reveal your hidden Truths you came into the lifetime coded with.

Be ready to inscribe these revelations in your “*Journey Journal*”!

Seeing...

- ~ more of what you want your life to be
- ~ what your True Purpose is and how to build your legacy
- ~ what types of relationships will fulfill you
- ~ what defines you
- ~ what you are passionate about
- ~ what inspires you to be motivated
- ~ your physical body container shape that matches your mindset
- ~ how to build more wealth...and we won't stop there

Through customized rituals & ceremonies we will create openings...

For releasing the old stuck energy from your lineage all the way through today's life experience. This awakens you to...

Gracefully reveal your Shadow Self - your Guardian Ancestor

Show You the hidden origins and hurdles that have stood in your way
