

# AGS PTO Volunteer Sign-up 2012–2013

Welcome to the AGS PTO! All parents and legal guardians of AGS students are members of the PTO. The objective of the PTO is to benefit the academic lives of our children by enhancing the relationship between school and home. Since 1978, the AGS PTO has been making a difference in the AGS community.

To continue this great tradition, we need your help. As little as two hours of your time can make a huge impact in your child’s educational experience. Listed below are volunteer opportunities available for the next academic year—please take a moment to see how you can help out. **Please fill out this form and bring it to the front office.**
