Crown of the Continent Hi5 Working Group

Photo credit: Regan Nelson

Photo credit: NPS

When: Monday, November 6, 2017, 10a-6p *and*
November 8, 2017, 1p-5p**

Where: Hilton Garden Inn, Missoula, Montana, USA

RSVPs REQUIRED!!

Please RSVP to Melissa Jenkins, mmjenkins@fs.fed.us

Meeting Highlights:

- Learn about new Best Management Practices related to five-needle pine conservation and restoration in the Crown of the Continent
- Engage with your fellow Crown managers and practitioners to share lessons learned
- Help develop a Crown-wide five-needle pine restoration strategy
- Participate in the National Whitebark Pine Summit: Strategic Planning for Restoration from November 7-9 (immediately following our meeting) in Missoula

**The afternoon session on November 8th will focus on launching the drafting of a five-needle restoration strategy for the Crown of the Continent. Everyone is invited.

With generous funding provided by:

AMERICAN FORESTS

Great Northern
LANDSCAPE CONSERVATION COOPERATIVE
