Mick, show some class

Editor:

It's always somewhat encouraging to see our elected representatives like U.S. Sen. Michael Bennet (D-Colorado) visit our town. Even if it's just lip service, at least they've taken the time to show up. Wouldn't you think that our elected mayor, Mick Ireland, could at least tuck in his shirt when hosting a member of the U.S. Senate? **How about some decorum and standards from our mayor.**
