## SJMC 2009 Christmas Party Celebrating 30 Years!

**President Emil Hibian presents Frank Lokaj  
the 2009 Member of the Year Award**

The South Jersey Mustang Club had the annual Christmas Party on Saturday December 5th at Shannon's Caterers. This year's Christmas Party also celebrated the 30th Anniversary of the SJMC. While dining, members were entertained with music and a slideshow of SJMC through the years. After dinner, President Emil Hibian presented 30 year pins to Marvin Askins, Barry Grucio, Dave Wible and Charlie Van Lueven. He then thanked and recognized the outgoing Officers and Board Members before handing out the 2009 SJMC Member of the Year Awards.

3rd Place—Bruce Phillips

2nd Place—Steve Hahn

1st Place—Frank Lokaj

Additional Awards were presented to Marvin Askins the "Shelby Needs Juice" Award and Gail Lokaj received a professional line striping kit to layout parking for the car show lots. The last presentation of the evening was outgoing President Emil Hibian presenting the gavel to incoming President Dave Wible. Dessert were accompanied by the Grinch Gifting Game where members had a chance to "steal" another member's gift. Soon, another Christmas Party was over too quickly and members wished each other a Merry Christmas as they were leaving, Till Next Year!

## PREZ SEZ!

Time for the start of a new year and with it comes new club officers. I'm looking forward to the new year as your new club president. For the people who don't know me, here's a little background. I've been a SJMC member since the club was founded 30 years ago. During that time I've been club vice president, club historian and for the past 10 years, club newsletter editor.

I have a few ideas on the direction I think our club should be headed. First and foremost, I would like to increase the "fun" level for the members. I imagine that is the reason most people joined our club to begin with. I plan on doing that by having at least one club activity per month. The first one will be a trip to Posies Rods and Customs Open House and the AACA Museum on January 9th. Posies vehicles have been featured in countless national and international publications. On display at the AACA Museum will be the GM Futurliner, 2 Stainless Steel Fords and more than 20 Camaros & Firebirds along with the museum's permanent collection of vehicles. In February, we will be attending an open house at Christana Muscle Car Restoration/Race Shop and March will include a visit to 3 Dog Garage car collection. Hopefully you will join us for these activities. If you have an idea for a club activity, please feel free to share it with me

Another idea I have is establishing a relationship with the other MCA Mustang Clubs in the area. I have already contacted the presidents of the Valley Forge, Garden State, First State and First PA Mustang Clubs. I feel communicating with and supporting the other clubs will benefit our club. Hopefully, the members of the other clubs will want to attend our shows if we attend their shows. In the future, this will help foster some joint activities between our clubs.

A newsflash came into my inbox while writing this, Ford will again host a special breakfast meeting to preview the new 2011 Mustang at the Philadelphia Auto Show on January 30th. The breakfast will start at 9AM with a private sneak peak and walkaround of the Mustang at 10. Afterwards, free passes will be handed out to enter the auto show. The 2011 Mustang features a new 301 HP V-6 and 412 HP 5.0L V-8. Yes the 5.0 is back!

I welcome any suggestions or feedback that you may have about our club and how it is managed. I can be contacted at [wibled@verizon.net](mailto:wibled@verizon.net).

Wishing everyone a safe and a happy new year,

*Dave Wille*

## *At the Wheel!*

Happy New Year! How did I get to be the new Newsletter Editor? As you may be aware, the SJMC has a new President, Dave Wible. Dave has been the Newsletter Editor for a long time. When the results of the election were announced, I offered to try doing the newsletter. This is the result, I hope you like it. This is your newsletter, so please feel free to make contributions to it. Whether it is a photo, article or a classified ad, please submit it and I will use it. Deadline for the next newsletter is February 20th. If you're like me you have probably already broken some new years resolutions you made. One resolution I made was to attend more club activities. Last year was spent building a garage to put my Mustangs in, this year will be spent enjoying the Cobra while working on the other. Hope to see you around!
