

STAMPEDE!

THE NEWSLETTER OF THE SOUTH JERSEY MUSTANG CLUB

MAY-JUN 2010

SJMC Visits the

The membership of the South Jersey Mustang Club had the opportunity to visit the car collection of Mr. Ross Myers on March 20th. Mr. Myers collection is housed in an old brick building that manufactured cabinets and caskets years ago, located off the main street through Boyertown, PA . Now known as the 3 Dog Garage, we were greeted by Steve and Chris, the caretakers of the collection and our hosts for the day. Set up and operating as a museum, the first thing that catches your eye is that almost everything is accessible and not behind ropes or stanchions.

As you enter the building, to your left is the first car Mr. Myers ever owned, a 1936 Ford. Several years ago, he sent the car to Rad Rides by Troy to have this car recreated into a Riddler Award Winner aptly called "First Love." The car is a finely hand crafted work of art and the centerpiece of the collection. The car is surrounded by many photographs taken during construction. The details of this 36 Ford must be seen to truly appreciate.

The main floor is filled with a historical timecapsule of Ford racing dating from the 1950's into the early 1990's. 1 of 2 1957 Thunderbirds originally built for Bonneville sits along side the 1963 Riverside winning Galaxie Nascar stock car driven by Dan Gurney. Vintage 1960's Mustang Trans Am cars sit back to back with 1980's Trans Am and GTP Mustangs. While these cars are of museum quality, they are also taken around the world for display and vintage raced. Many of these cars were

Unfortunately last month was filled with "April showers" and they affected some of our Club Events. First, the Friday night drag race at Atco was washed out. No one could make it to the second event, the Garden State Mustang Club Spring Drag Race at Englishtown. Rain made its reappearance the next day for the Garden State Mustang Club "Blue Oval Over Butler" car show. The show was "rain or shine" but most of the people that signed up didn't want to take their ponies out for the 2 hours drive in the rain. Bill & Diane Pearson did make it to the show and won a first place trophy with their 2007 Convertible. Great job representing our club!

Things went a lot better in March. We only had one activity planned but it was a good one. During a very nice day in March, 15 club members went to see the 3 Dog Garage. If you missed it, you didn't get to see a fantastic collection of Ford race cars and hot rods. I've gotten such great feedback from members that attended, I plan on setting up another visit at end of this year or the beginning of the next one.

In May, we have 3 Club Events scheduled. First, a rescheduled Friday night drag race at Atco will be on May 7 at 6PM. After that, we will go to 2 local area Mustang Club car shows; the First State Mustang Club car show at Sheridan Ford on May 16 and the Valley Forge Mustang Club car show at Kimberton Fairgrounds on May 30. Remember, by having a good turnout for these shows, we will entice their members to attend our own car shows. Afterwards, there is the Carlisle Ford Nationals (we will try to get together for the drag race on Friday and dinner on Saturday) on June 4-6 and the Cruise Down Memory Lane (first we will take a club photo and stop at Lilliston Ford before the cruise) in Vineland on June 12. On June 26, we will hold our first show/cruise of the year at Richland Park.

Speaking of car shows, in the last newsletter I mentioned that we lost 2 of our shows. I'm glad to announce that we have a replacement for one of them. On August 7 we will host a Mustang Car Show at Ace Motors in Woodbury. Details and show flyers will be forthcoming.

As always, I welcome any positive suggestions or feedback that you may have about our club. I can be contacted at wibled@verizon.net.

Hoping for a dry May and June and a great car show season for all.

displayed at the Ford Motor Company 100th Celebration. Several of the cars have also been at various SAAC Conventions, most recently at New Jersey Motorsports Park in 2008. On occasion, Mr. Myers loans cars to other museums for display, so the 3 Dog Garage does change from time to time.

Another room of the museum houses Mr. Myers collection of 32 Fords. Again, each of these cars has an important place in history. One of the 32 Fords was built by automotive legend Larry Shinoda and was raced by him in the 1950's. It is interesting to see many of the ideas Mr. Shinoda had that later became common practice in drag racing cars built later on, especially the nitro burning Funny Cars. Another of the famous 32's was the car used by Ricky Nelson on the television show, Ozzie and Harriet in the 50's. Several of Mr. Meyers 32 Fords participated in the 75th Anniversary of the 32 Ford in 2007.

In addition to the collection of Mr. Myers, his wife Beth has several cars in the museum as well as on loan. A beautiful 47 Ford Sportsman was on display in the garage and several other cars of hers are on loan to the AACA Museum in Hershey, PA.

We also were invited into the restoration shop area of the museum. This area is where Steve and Chris return these racecars to their glory days. Several 80's vintage Trans Am cars are currently undergoing restoration in the shop. Again, every car has historical significance. All work is done inhouse by Steve and Chris, in addition, they are responsible for transporting ,displaying and even racing the cars all over the globe. Steve put himself through college by restoring early Thunderbirds, later moving on to restoring vintage racers before coming to the 3 Dog Garage. Chris originally worked for Mr. Myers construction company, American Infrastructure, as a truck driver delivering equipment to job sites. He later became responsible for transporting the cars and eventually came to learn the restoration business. Steve and Chris are both very interesting individuals with interesting stories of their trips taking the cars around the world.

A visit to the 3 Dog Garage makes for a very interesting and entertaining experience. I look forward to returning to the 3 Dog Garage again. For more photos and information about the 3 Dog Garage, visit www.3dog.org. on the web.

CARLISLE All-FORD Nationals June 4-6

ROLL STRAIGHT INTO CARLISLE ALL-FORD NATIONALS!

How to save time and money: Details below

[Pre-register](#) before **May 3rd** to get your window sticker early and drive right in when you get to the gate!

When you [pre-register](#), you...:

- **Save time.** Beat the deadline and we will mail your window sticker to your address of record in advance of the event. When you get to the show, enjoy the VIP treatment of driving right through Gate 3. No matter how long the lines of people at the Showfield Registration are, you will be rolling right by headed straight to a spot on the National Parts Depot Showfield.

Save money. When you [pre-register](#), you save \$10. That's more of your hard-earned money back in your wallet.

[Register now](#) to take advantage of Gate-N-Go.

EVENT MANAGER'S CORNER

2010 Edition of Ford Family Reunion

Hang onto your shirts Ford fans. The [2010 edition of the Ford Family Reunion](#) is about ready to roll into town. Bringing with it are many reasons to celebrate everything about the Blue Oval: like the Cougar Nationals, F-100 Explorer Reunion, a T&A Show in Building T along with Cobras, GTs and GT-40s. Don't miss the Mustang Garage to install high performance parts on your Stang as well as the Euro Garage featuring European vehicles for which Ford is so popular. In fact, the new Fiesta will make its debut here in Carlisle.

Race fans will be thrilled to get up close and personal with the Fiesta road race version, along with the Mustang Cobra drag race car. This is the very same Cobra that was the hit of YouTube when Brain Wolfe, former director of Ford Racing, did his infamous burnout in this newest version of the Cobra Jet drag race car, in the parking lot of Ford Racing!

To stay current with all that is happening in the Ford world and with [Carlisle All-Ford Nationals](#), be sure to check out the rest of the [www.CarlisleEvents.com website](#).

And don't forget about the brand-spanking-new entry procedures we fondly refer to as "Gate-N-Go." It's worth your time! ([read more](#))

FORD NATIONALS, FUN FOR THE FAMILY

Enjoy the Kids at Carlisle Activity Center

Carlisle Ford Nationals is fun for the entire family and we have not forgotten the kids. On Saturday, [the Kids at Carlisle Activity Center](#) will have appearances by the Carlisle Events mascots Max and Mandy the Mechanic, play activities, crafts, games and the Volkswagen Beetle chalkboard that we think will "wow" the young ones. Come and check it out!

Carlisle Ford Nationals Celebrates Heritage of Legendary Cobra Jets at Carlisle PA Fairgrounds June 4 – 6

CARLISLE, PA – Cobra Jets of varying eras will be flying into Carlisle for a one-of-a-kind heritage celebration with events, energy and photo opportunities that will have Ford fans talking for years to come.

1968-2010 Cobra Jets: Legends and Champions

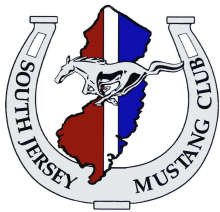

To continue efforts connecting the past to the present, Carlisle Events and Ford will flex Cobra Jet drag racing muscle at the June 4-6, 2010 Carlisle Ford Nationals. Attendees can expect to see the full spectrum of Ford's world-famous Cobra Jet race cars together for the first time in one location.

This year, Ford will be showcasing Ford Racing's 2010 Cobra Jet #1 workhorse, the only one produced in silver exterior paint, and truly the ultimate factory drag racing machine. This single extreme example, custom-developed by Ford Racing engineers, has been built to embody the pure muscle of Ford performance. To sum up the building anticipation, Carlisle Events' Ford Nationals Event Manager, Rick Markko, explains, "The Carlisle Ford Nationals will be rocking with excitement as the legendary Cobra Jets will be here in Carlisle to strike the pose of a lifetime! The heritage continues as the Cobra Jet race cars and their drivers gather together for one more blast, quite likely en route to the Hall of Fame!"

John Clor, Communications Manager for Ford Racing's Ford Performance Group focused on enthusiast organizations, encourages Ford fans not to miss this rare opportunity to see the full Cobra Jet race car heritage all in one place. Clor notes, "Along with Carlisle Events, we [Ford] are proud to show off the proverbial superstar 2010 Cobra Jet alongside some of the 1968 CJ legends for the first time in public. This might very well be the only chance that diehard fans will ever have to get up close and personal with the full gamut of these incredible drag racing cars...all in the same place. Our enthusiasts cannot only see it, but breathe it – and live it! This may never happen again."

Collaboration between Ford and Carlisle

Clor goes on to declare Carlisle as "the quintessential Ford fan destination." Recalling the last 15 years of collaboration between the two companies, Clor points out, "Carlisle Events has evolved successfully into the perfect platform for us [Ford] to come out and interact with our loyal owners and enthusiasts, both to celebrate our long heritage of great vehicles and to showcase new Fords that are destined to be the stars of this show in the years ahead." *From Carlisle Productions*
