

STAMPEDE!

THE NEWSLETTER OF THE SOUTH JERSEY MUSTANG CLUB

JUL - AUG 2010

The first weekend of June takes the thousands of Ford Faithful to the Carlisle Fairgrounds for the All-Ford Nationals. In its 15th year, Carlisle Productions has finally gotten the blessing of Ford Motor Company to be rechristened the "Carlisle Ford Nationals" and with it the ability to use the iconic blue oval logo we have been waiting for. Ford has been coming to Carlisle for a few years now but its presence was really felt this year. The Carlisle Expo Center was filled with the latest products from Ford, Lincoln and Mercury on display. Outside the Expo, licensed drivers over 18 could drive a number of products from the Fiesta to the F150, but the line was longest waiting to test drive the 2011 V6 powered 6 speed manual transmission Mustang. In the Manufacturer's Midway, Ford Racing had a large display of parts and crate engines, the Mustang Garage was buzzing with activity and Ford had plenty of Mustangs and Shelybs to look over, Fiestas too.

As usually happens, the weather was hot and humid bringing a thunderstorm in Friday afternoon, but Saturday and Sunday were just hot, but the crowds didn't seem to notice. The vendor area wasn't as full as in past years, probably a result of the economy and the growth of internet shopping, but the showfield seemed to be filled to capacity. Cobra Jet Mustangs, old and new, were among the featured vehicles this year, and there were many on display including the only late model factory Cobra Jet Mustang convertible. Several legendary Cobra Jet racers were on hand signing autographs, among them was former Rice and Holman Cobra Jet driver Al Joniec.

In addition to all the cars and parts to see, in recent years Carlisle has added a "Cool Club Hangout" award. This year the competition was fierce between all the participants with some really interesting themes. Checking out the "hangouts" was a lot of fun.

Also among the must see activities, the Burnout contest! If you participate, plan on bringing plenty of spares! Always a crowd favorite at Carlisle!

Start planning now to attend next years Carlisle Ford Nationals, June 3-5,2011.

The car show season has started in earnest and our club has been busy since the last newsletter. We had good turnouts for the First State Mustang Club Show at Sheridan Ford & the Valley Forge Mustang Club Car Show at Kimberton Fairgrounds in May. Club members took home trophies at both shows.

In June, the Delaware Valley Lightning Owners joined us at Lilliston Ford & the Cruise Down Memory Lane on Landis Ave. It was a great day/night and the avenue was packed with cars of all types. The burnouts on Delsea were pretty good too! Lots of club members were at the Carlisle Ford Nationals but we could not get together there. The Friday night drag race gathering was rained out with some severe weather and only one couple turned out for the Saturday dinner. We'll have to rethink our Carlisle activities for next year. And last but not least, our club cruise, "A Mid Summer's Night Cruise" should have happened on June 26th (I'm writing this before the cruise). The people from the Juvenile Diabetes Research Foundation were very excited that we were going raise money for them at the cruise.

There is a lot to do for the next 2 months too. We will hangout with the Bad Pony Club at their reserved lot at the Merchantville Car Show on July 10th. Next weekend, there will 2 options. Some may go up to Souderton, PA for Glazier's Mustang Barn Customer Appreciation Day on the 17th. For the race fans, on July 17th & 18th, there will be a Mustang Corral at New Jersey Motorsports Park during the Grand-Am race. Maybe this will be the weekend that the Boss 302R will finally win! The last activity in July is our Club Picnic at the Cape May County Park & Zoo on the 24th. Let's hope for good weather!

August will bring our first car show of the year, the All Mustang Car Show at Ace Motors in Woodbury on the 7th. I hope our club members will support this first annual event. On August 15th, we will go to the First PA Mustang Club Show at Coopersburg, PA. We will run a judging seminar at the August general club meeting to help prepare inexperienced members to assist at the September Holman Car Show.

As always, I welcome any positive suggestions or feedback that you may have about our club. I can be contacted at wibled@verizon.net.

I hope you will participate in some of these upcoming club activities.

Dave

SJMC Members take to the 1320

Several members of the South Jersey Mustang Club took advantage of a very nice Friday evening on May 7th, to hit the asphalt at South Jersey's only active dragstrip, Atco Raceway.

Our own Vice President, Marvin Askins, provided evidence that he made a pass down the 1320. Even though we can't see it in the picture, Marvin says the front wheels are in the air! Marvin says everyone there had a great time and he will schedule another "Night at the Drags" in the Fall.

SJMC at the "Blue Oval Over Butler" Show

Bill and Diane Pierson drove up to Butler, NJ on April 24th to attend the 10th Annual Blue Oval Over Butler Ford Show put on by the Garden State Mustang Club on Sunday the 25th. Although rain was falling, they had over 60 vehicles show up for the 26 Judged classes that day. As the Judges came around they requested the hoods and trunks be open. Music was provided by DJ Don, food by the TriBoro First Aid Squad and the proceeds benefited the MDA. In spite of the weather and distance traveled, Bill and Diane had a good time and they received a 1st place trophy in the 2005 up Mustang Class.

SJMC travels to the First State

Sunday, May 16th the members of the SJMC met for breakfast at the Cracker Barrel at the base of the Delaware Memorial Bridge before crossing over into Delaware to attend the First State Mustang and Ford Club Show at Sheridan Ford. The weather was picture perfect and everyone had a good time. It was good to see Lewin and Claudia Mitchell, our transplanted SJMC members again.

SJMC Returns to Kimberton

Members from the SJMC attended the Valley Forge Mustang Club's 29th Annual Show held over Memorial Day weekend at the Kimberton Fairgrounds. The VFMC had 230 hot Mustangs on the showfield that day. In addition, the VFMC had a Chinese Auction and several vendors in attendance. This show is held in conjunction with the Chester County Antique Car Club who had over 300 classic and antique cars of all makes and models on their half of the fairgrounds. There were plenty of things to see and do, so mark your calendar for next year as the VFMC host their 30th annual show at Kimberton.
