Options

This past month has been filled with so many event options for us Mustang owners. On October 9, 2014, Atco had its "Grocery Getter" night which allowed amateur and professionals to have fun or test and tune their vehicles. This was one of the few times that you didn't have to wait in the staging lanes to get 2-3 runs in the entire night. You could run as many times as you wanted to and there were many Mustangs, inclusive of yours truly, doing "hot laps."

On October 16, 2014 approximately 24 SJMC members, many of whom cruised together took advantage of Ford's "Bucket List" 2015 Mustang Tour which allowed us to drive a new Eco Boost 2015 Mustang and then ride in a 2015 Mustang GT with one of the two professional drivers who were having fun accelerating, drifting and chasing each other through the chicane of cones set up in Citizens Bank Stadium parking lot in Philadelphia. My driver was Jeff who was one of the stunt drivers in Fast and Furious II. When I entered the beautiful Black 2015 GT he was driving, I asked him if it was true that he was secretly working for "Depends". Jeff said that some of his previous passengers may have considered purchasing them after riding with him. If I wasn't a speed junkie myself, I probably would have considered purchasing the "Industrial Strength" brand of them after my ride. A majority of us enjoyed the drive and ride in the 2015 Mustang. Afterwards we were treated to lunch and Steve Ling, the North American Car Marketing Manager for Ford, gave a presentation on the new features of the 2015 Mustang and answered some of our questions. A big thanks goes to Wally Hagen and Ford for bringing the tour to Philadelphia and to Ken Appel of Carlisle who arranged for a display of Mustangs covering the years from 1964 to present.

Finally, on October 18, 2014 the Sports Car Club of America (SCCA) had its end of season race at New Jersey Motor Sports Park in Millville. Bill Vansuskill of SCCA, who made a presentation to our membership earlier this year, invited the various club members and anyone interested to watch the races. Competition ranged from snow mobile engine powered racers to the "Big Bore" powered racers of Mustangs, Camaros, Corvettes and other big engine competitors. During lunch break, spectators were allowed to follow the Pace Car around the Lightning track at speeds not to exceed 70 mph. Somehow someone was able to exceed 110 -120 mph on the straightaway between turn fourteen and turn one. John Wolfe and I plead the 5th but we could not allow the 2014 Camaro to get too close to us.

Needless to say, owning a Mustang presents you many options from cruising short or long distances to competing or whatever you want to do, but in any case we know that owning a Mustang is fun.

"Our new Mustang."

6th Annual American Muscle Show.....Herb Sharp

Billed as the “Largest “ Mustang Show on the East Coast, the American Muscle Show wisely moved to Maple Grove Raceway from Delaware County College for 2014. The change of venue allowed for a massive expansion of the car show, more space for vendors and displays, and much more spectator parking. With over 2600 Mustangs in the show, there is no doubt the billing isn’t just hype.

Many members of the SJMC were in attendance to participate on a very nice Saturday in August along with an estimated crowd of 10,000. Of course with a number like that, a lack of food vendors and rest rooms became an issue for many.

Among the Celebrities on hand were Bret “Big Swag” Knepper, Chip Foose and Vaughn Gitten Jr. The Chip Foose Award Winner was David Teater’s awesome black 69 Boss 429. The Vaughn Gitten Jr. Award went to the satin sheened 2011 5.0 of Rob Rabon.

This year the American Muscle show was a benefit for the Special Olympics and raised over \$35,000 for the charity. Kudos to the staff of American Muscle and Maple Grove Raceway for a great event that I’m sure will continue to grow and improve.

See you Next Year!

34th Annual Fall Show.....Herb Sharp

The South Jersey Mustang Club's 34th Annual Mustang & Ford Fall Show was held on a sunny and comfortable September 7th at the Holman Maple Shade store. The great weather had to be one of the factors as we had a record number of over 200 cars on the showfield. We had a fairly steady flow of vehicles through the main gate until close of registration at noon.

From "Tin Lizzies" to 2014 Mustangs, there was a wide variety of Ford history on display. Among the rarities, a 1954 Mercury glasstop Sun Valley and a 1957 Ford retractable hardtop Skyliner were in the early Ford stock class. Of course Mustangs were dominant filling allotted class spaces to overflowing.

Several raffles were held along with a huge "Chinese Auction" by SJMC to benefit the local chapter of the Juvenile Diabetes Research Foundation. Representatives of the JDRF were also on hand to raise funds and awareness of type 1 diabetes.

The Ford Trailer was on hand with a lot of new products to aide in future holiday shopping or just to get the latest Ford swag.

The SJMC food concession stand was very busy and used an entire tank of propane cooking up breakfast sandwiches, hot dogs and hamburgers for participants to purchase. They were some tasty burgers!

Thanks go out to all of the members who worked and participated in the show, without the membership this show wouldn't be possible. Special thanks go to Gail Lokaj who volunteered to chair the Holman Show and did a great job!

Next year's 35th Show is months away but planning has already begun. Hope to see you there!

SJMC at the First State Show.....Herb Sharp

The SJMC attended the First State Mustang and Ford Club's 31st Annual Fall Show on Sunday September 28th. All Fords and Ford family cars and trucks were welcome to participate at the Sheridan Ford store on Kirkwood Highway in Wilmington DE. Instead of classes the First State Club had trophies for the top 20 for 73 and older, the top 20 for 74 and newer and Young Owners 1st and 2nd place, all determined by popular vote. In addition, a Best of Show and Dealer's Choice were awarded.

SJMC Supports K-9 Show.....Harry Wible

On Sunday October 15th, a group of SJMC members went to the 2014 City of Burlington K-9 Car Show and won the Club Participant Trophy. We had a total of 10 cars with 13 members attending. Some members left before we could take a group photo. You can also notice there's a Trophy by member Jimmy Pongracz, he won a Trophy in the 2000 and Newer Class.
