sign up for each month so that the same members are not responsible for bringing refreshments to a number of meetings throughout the year. Nancy mentioned that the club is paying for January's refreshments.

Newsletter- Marvin asked club members if they enjoyed the newsletter. The club is in jeopardy of not having Newsletter since Herb is preparing the new letter pretty much on his own. Some of the officers have provided articles as well as a few of our other member, but the majority is all Herb and he will not continue to do it alone. Herb mentioned that we should have a newsletter committee to help put the newsletter together. We will bring copies of the newsletters to the meetings for members who do not have access to email or internet.

Richland Cruise moved to May 30, 2015 to participate in Richland Village Festival –Marvin asked Steve Martinelli Sr. on some the of the changes for this year's cruise. Steve is on the Committee for the festival and he asked that the club run the show for the Festival as in the past. We will discuss the times for the show since it will be earlier that it would normally be. Marvin mentioned that we would have our grill for this year. Steve said that they will take care of printing fliers if we get them to him and he will have them printed.

Club must decide on charities for consideration for club donations and the list finalized by March. Juvenile Diabetes Research Foundation, All they need is Love Pet shelter, and the Veteran's Memorial Home in Vineland are all being considered. If anyone has any other suggestions for charities submit them and they will be decided at the Executive Board meeting.

Nancy read a letter from the Salvation Army thanking the club for toy donations brought to the Christmas party. Marvin also mentioned the clubs efforts to bring donations to the food bank. Charlie V asked when we were going to make the donation to the fire house and then asked how much as a nonprofit are we allowed to have in our checking account and Nancy explained we are a State of New Jersey nonprofit and can have up to \$50,000 as a maximum balance. Marvin mentioned we are within the law and we have been lucky the last few years with the weather for our shows which generate money. Nancy mentioned we pay at least a \$1,000.00 up front for a show the size of the Ace Show. Holman gives us money and Richland has a few business' who donate for the trophies.
