## ***Lost for Words and Loss of Friends***

For many of us 2015 has been a year of fond memories of events we have experienced this year. Car shows and cruises both near and far, days and nights at the various motorsport tracks, picnics, breakfasts, lunches, parties, events etc. in which many of us gathered together to enjoy ourselves with and without our Mustangs. We have spent many hours discussing with each other and friends the joys of our participation in these events with and about each other. However, a couple of events this year most of us, if not all of us, wish we did not have to discuss. Those events concern the passing of two of our beloved

members Harry "Leadfoot" Wible, Club Vice President; and Joe Rementer, Head Judge of our annual Holman Show. The loss of these two members left us lost for words because they epitomized what our club is all about, the total enthusiasm and enjoyment of our Mustangs. Their loyalty to our club and their individual efforts to make our club one of the most respected clubs in the area are well known. Harry was like our club ambassador who attended so many events that he was well known not only within our club but to many other people and clubs outside of our club with his joyful smile, humor and competitive spirit. Every year he was constantly modifying his Mustang, either performance or appearance wise and was a force to deal with at the track or in wheel chair races. Normally it is perceived that a Vice President of any organization is a token position that is held by someone who fills in for the President in his or her absence but otherwise basically does very little. Not in Harry's case because he was my "Wing Man" who I relied upon many times for his input and guidance on many issues confronting our club over the years whether it concerned canceling a meeting due to weather or other delicate subjects that affected the good and welfare of the club. Many times he would contact me concerning matters that he felt were of importance to the club that had to be dealt with for the club's betterment and continued success. Joe was also of the same caliber, always willing to do whatever needed for the betterment of the club from Head Judge, his annual auditing of the club's finances, to he and Theresa hosting our board meetings for years. Joe's attention to detail and workmanship made all of his Mustangs outstanding as typified by he and Theresa driving, repeat driving, their 1968 Mustang Fastback to and from Charlotte NC for Mustangs 50<sup>th</sup> birthday in April 2014.

These two members will always remain in our memories and our hearts and we truly are lost for words regarding their loss. It goes without saying that our club has experienced the loss of two good friends who loved our club and we love them. "Just sayin" as Harry would say.

## SJMC Commemorates 35 Years of Mustang & Ford Fall Shows

The heavy rains the day before gave way to a sunny morning and as has been tradition for many years, the South Jersey Mustang Club was able to hold it's 35th Annual Mustang & Ford Fall Show the Sunday after Labor Day, September 13th on the grounds of Holman Ford in Maple Shade. The show was dedicated to our late member Joe Rementer who had served as our Head Judge for many years. Joe's Family was in attendance and brought his 68 GT Fastback to put on display. In addition, our Vice President Harry Wible lost his long battle with cancer just days prior to the show, so this was an emotional day for members.

The weather forecast was calling for afternoon showers which probably helped contribute to a smaller number of vehicles entered than previous years. Of course the weather forecasters got this one right as showers hit as judging was completed. Thankfully, it was a brief shower and the show continued as planned.

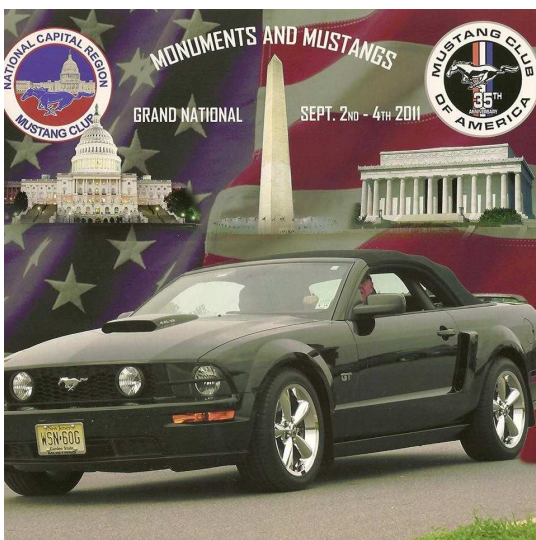

The Concession Stand was busy keeping everyone fed and supplied with refreshments with burgers and dogs flying off the grill. The Ford Merchandise Trailer was on hand with plenty of new swag for the Ford enthusiast. A huge Chinese Auction was held with the proceeds going to St. Jude's Hospital as this year's charity.

While the number of vehicles at this year's show was down from previous years, the quality was higher than ever making for some serious competition for awards. The SJMC Judges really had their work cut out for them. There were many outstanding Mustangs and Fords from Model T's to 2015 Mustangs to appreciate, some local and some came a distance. Among the unusual vehicles sighted at this year's show were a black 1959 Lincoln, a white 1975 Ford Elite and a survivor Pinto Squire.

Many members are involved and put in a long day, but we must recognize Dave Gonya for his efforts to maintain this show at Holman as well as spending the day with us when he could be anywhere else. Dave was again present to represent Holman as well as handing out the trophies during the awards. Thanks also go to the Show Committee headed up by Gail Lokaj, Anne Coles DiPace for the Chinese Auction and all of the volunteers that handled gate duty, registration, parking, judging and concessions. This show would not be possible without the involvement of the membership over the past 35 years, here's looking to next year

***Herb Sharp.***

## In Memoriam - Harry Wible

Our friend and Vice President, Harry "Leadfoot" Wible passed away at his home on September 7th after a long hard fought battle with cancer. Harry was only 69 years old. Harry was no stranger to fighting, he joined the US Army in 1966 and served in Vietnam before being honorably discharged in 1972. Harry was a member of the Veterans of Foreign Wars Post #6253 in Berlin and the American Legion.

Harry was also a Mason and attended the M.B. Taylor Masonic Lodge # 141, Laurel Lodge #237. Harry was involved with the Pine Barrens Golden Retriever Club for many years. Harry won many awards with his obedience trained golden retrievers. Harry came to the South Jersey Mustang Club late in life and he was also a member of the Mustang Club of America. Harry quickly became involved with the SJMC serving on several committees for the Club picnic and the Spring Shows at Ace Ford as well as the Board of Directors. The past few years Harry served as Vice President.

His toy as he often said was his 2007 triple black Mustang GT convertible. Harry was constantly making changes and improvements which brought him much pride and many well deserved trophies and awards. Harry attended many shows and cruises and his personality made him friends wherever he went. Harry recently ordered Carlene her dream Mustang, a yellow convertible, which he began modifying soon after delivery.

Harry is survived by his wife Carlene, his daughter Wende, his son Brian, his Grandchildren Ashlee and Tanner, and his 2 furry friends, Crissy and Toby.

## A Faster Horse, A Movie Event .....Herb Sharp

A while back you may have received an email informing you of a screening of the movie "A Faster Horse" at Franklin Mills in Philadelphia. While I was interested, it would have been difficult for me to attend. Thanks to the efforts of Helaina and Ron Semmler thru TUGG and enough tickets presold, a screening was held on Thursday evening October 15th in Cherry Hill at the AMC 24, the only screening in New Jersey. The audience consisted of mainly members from the Garden State and South Jersey Mustang Clubs, the 2 MCA clubs in New Jersey.

The movie is a documentary on the history of the development of the first Mustang as well as the current model that debuted in 2015. A brief history of Ford Motor Company as well as the Ford Family helps to bring the early years of Mustang into perspective. The film makers were able to interview key people that worked on Mustang through its 50 year history. Team Mustang Project Lead Engineer Dave Pericak is followed from 2009 to 50th Anniversary Celebration in Charlotte as he and his team develop and refine the new for 2015 Mustang.

I would recommend this film for any Mustang Enthusiast, but I think any auto enthusiast would find this film informative and educational as well as entertaining. It is currently available On Demand from Comcast for rental.

## Mustangs in Miniature.....Charlie Van Leuven Jr.

It's been awhile since I have written an article, so I thought that there could be no better time then now with Christmas right around the corner.

Although I am a little late, after a ten year hiatus Hallmark has reissued their Kiddie Car Classic line and yes as you may have already guessed, one of them was a limited edition Blue Mustang with white details. Limited to 6000 pieces, like the cars before them they are very nicely detailed for their size. Along with them they also reissued the

smaller tree ornament to coincide with the bigger car. Now along with the blue one, just in time for Christmas they have released a 4800 piece repaint in Kelly Green with gold over the top stripes and gold rocker panel stripes. I guess they couldn't get the rights to use the GT350H, which would have been cool. While I am still on the subject of Hallmark, during their December 4-6 Gift of Memories Weekend, they will be releasing an Orange 2015 Mustang GT Ornament, while there if you're a Mercury fan you may want to look for the 1970 Cougar Eliminator in Orange and Black, this is the 25<sup>th</sup> in the Classic American Muscle car series.

Now for you Hot wheels collectors, I have found a bunch of Mustangs lately. It may take a few trips to Kmart, Walmart and Target but I have seen most of these Mustangs that I am listing in these stores. First we have a 1965 Mustang 2+2 fastback in gray with teal stripes and chrome wheels and in blue with yellow stripes and wheels, a 1968 Shelby in yellow with black stripes and a orange Boss 302 with black stripes. I have found three different variations of the custom 2012 Ford Mustang with the Falken tires, livery, silver and blue, blue and green and black and white. I also found a Ford Mustang GT concept black Sheriff's car with light bar on the roof. Last but not least, I have found 2 2015 Mustang GT's, one is gunmetal gray with teal stripes and the other is blue with yellow stripes. Finally I found a custom 2015 Ford Mustang race car in red with black stripes, rear wing, raised hood scoop and front splitter. With all the Mustangs I have found, this should keep everyone busy this Holiday Season.

*Happy Hunting!*
