

South Jersey Mustang Club
Monthly Meeting Minutes
May 5 ,2016

The monthly meeting of the SJMC was called to order by President Askins at 7:40 p.m. on Thursday, May 5, 2016. A sign in sheet was passed around.

TREASURER REPORT

President Askins announced that minutes from the monthly meeting will be posted online on the club's website instead of being read at the meeting. Any questions or concerns will still be discussed at the meeting. This was done to hopefully shorten the meetings.

OLD BUSINESS:

Christmas party: Half the menu has been selected.

Upcoming events: The upcoming shows and events were discussed: Richland on May 21, Holman show in Turnersville and the show in Maple Shade. Dave indicated he has submitted his t-shirt design to Holman and is awaiting their reply. Sign up sheets were available for people who can volunteer at all the aforementioned events.

At 8:00 p.m., the meeting was turned over to Bill from B&C Fire Equipment. Bill discussed the various types of fire extinguishers (Nitrous, ABC, Haylon, CO2, and Cold Fire). The pros and cons of each was also discussed. Marvin indicated that several car shows now require a fire extinguisher in the vehicles. Joe Volpe and Barry also had input regarding extinguishers.

National Mustang Day: There was a nice turn out at Johnson Farms and great weather! Afterward, a few folks went to Winner Ford who told Marving they are still interested in having a car show there. Marvin passed this information to Bad Pony Club and PVR.

SJMC Facebook: Jerry has 196 likes.

National Director's Report: Frank not getting a lot of information.

NEW BUSINESS:

Herb says anyone can submit articles to the newsletter and with all the upcoming events, he hopes to get a lot of submissions.
