June Executive board meeting

Holman Turnersville Show

The board recommended to give the charity \$750 dollars and a motion was made seconded and approved by the general membership to give that amount. The charity was for the cystic fibrosis foundation which is Holman Turnersville's designated charity.

It was our first show in Turnersville. This was due to the number of cars in attendance, the low cost of the handmade trophies which thanks to Chip, Leo & Victor. The show was a great show and the volunteers helped with making it a success. Turnersville even advertised the show on their Facebook page. The dealer even asked for us to come back next year. I was very profitable for them. There were a lot of out of state and good variety of cars. We would like for them to make sure that next year they handle the t-shirts differently. Have the dealership get their shirts first.

Because of the great turnout Holman Maple Shade is thinking of moving the show to the main lot and have it on a Saturday instead of Sunday for 2017.

Holman Maple Shade 36th – the location of the show will change this year due to the volume of cars on the lot. They do not have the space to move them so we will be on the lot behind the dealer ship where the old ARI building is on Kings Highway this is where spectator parking was previously. Dave Gonya requested use of the building for judging and rest rooms. The committee is looking at the layout of the lot for parking. We will need volunteers. Needed also are items for the Chinese Auction. The charity is Paws for Purple Hearts. The CEO is thinking of coming to the show. The show will be dedicated to Harry Wible and September 11th. Chip mentioned that the Charity is incorrect on one of the car websites so Marvin said to give Gina Goldman the information so that it can be corrected. Gail asked that letters for donations to local business be taken and distributed by members. Marvin and Chip already have some donated gift cards from Auto Crafters and American Muscle.

Club Picnic – August 6th at Paul and Mary Morrongiello's Split Elm Equestrian Horse farm. Rain date is the 7th the club will provide burgers & hot dogs as well as sodas and we ask that everyone either a dessert or side dish. We had a great time. Signup sheets went around at the meeting.

Club Volunteer Issue

Marvin said we need more member to volunteer to work the shows because we tend to have the same members working and a lot are getting up in age and can't do what they use to do to help out. We are one of the top and one of the largest mustang clubs in the region. We are known for putting on great events. We need you to shadow or learn what need to be done to put these shows on. We are all willing to mentor. For judging we need member to sign up and learn for the September show. This is one of the few Stock class judged shows in the area. Chip mentioned judging the newer classes first since they are really just looking at how clean they are and volunteer to break everything down at the end of the show.

It was discussed that we should buy a generator but was decided against when John Wolfe offered the use of his generator to the club.

Website- Dave mentioned that there were pictures on the website as well and the meeting minutes.

Newsletter –Herb was not at the meeting but Marvin said the newsletter was done with the exception of his piece and will forward to him today.
