Annual Fundraiser Reservation Form

Each new school year, the Board of Christian Education requests a list of proposed fundraisers from all covered school organizations. Your organization comes under the guidance of the BoCE.

Organization's proposed fundraisers are reviewed by the BoCE so that we may:

- a) assure that each organization has the opportunity to raise funds,
- b) prevent duplicate fund raisers in a given year, and
- c) prevent undue burdens on our families and parishioners who are solicited by each organization.

Please return your organization's completed form to the BoCE as soon as possible. We will review all proposed fundraisers and will be in contact shortly thereafter.
