

**CHURCH DISCOUNT**

Dear Pastor,

St. John's would like to encourage your church member to consider a Christ centered education for their children and encourage your families to continue to be active members at your church. St. John's is offering the possibility of a tuition discount to your families whose children attend St. John's on a **full-time basis**.

St. John's Lutheran School is offering a \$950 tuition discount to parents with students in Kindergarten through 8<sup>th</sup> grade attending other Christian Congregations. However, this discount is contingent upon the family's active membership and attendance at your church. (St. John's defines an active member as a member (parent) who attends an average of at least twice each month.)

You will be asked to complete this form twice a year. The first church attendance period is from January 1<sup>st</sup> through June 30<sup>th</sup>, which is the basis for the first semester discount beginning in August. The second church attendance period is from July 1<sup>st</sup> through December 31<sup>st</sup>, which is the basis for the second semester discount in January.

I attest that (family name) \_\_\_\_\_ are members of
