Wendy's

Thank-you!

St. John's Lutheran Church & School has teamed up with Clothes for Charity, Inc. (C4C) to provide an exciting way for you to help us meet the goals and needs of our school and at the same time, lend a helping hand to the community. It can benefit you as well!

Who are we?

St. John's is a landmark of positive Christian impact. We are vibrant people who are outgoing, involved in the community, and serving the needs of many. We sponsor and maintain a vibrant school which exists to help families through a Christ-centered educational program and to encourage children to fully develop their God-given gifts.

How can you help?

- *It's easy!* Allow us to place a Clothing Donation Collection Box on your business property. (The dimensions of these boxes is 4' x 4' x 6' and *require very little space!*)

What does C4C do?

- Trained **C4C** drivers will pick-up clothing and shoe donations placed in the Clothing Donation Collection Boxes every day *except* Sunday (most locations).
- They will also ensure that the immediate area surrounding our boxes remains *clean and neat*.
- **C4C** assumes all *costs, labor, insurance* and *liability* for these boxes.

Does your community see a benefit when you host a donation box? Yes, you help:

- *Provide an easy, accessible, and tax exempt* way to donate clothing and shoes.
- *Reduce waste through recycling.*
- *Produce jobs, revenue, and affordably priced goods in lower income areas.* Discarded clothing generated from these donation boxes is sold to thrift stores in these communities.
- *Nothing is thrown away!* Items not suitable for sale are distributed to developing countries or recycled into other products.

Finally, how can this benefit you?

- The Clothing Donation Collection Boxes provide a *positive landmark* at your retail outlet.
- The Clothing Donation Collection Boxes may *increase* business by increased traffic flow at your location. We are your neighbors and customers and we tell others: we publicize all box locations and supporting businesses.

Biocycle Magazine and the Earth Engineering Center at Columbia University estimate that non-hazardous waste in America has risen from 247 million tons in 1999 to 369 million tons in 2003. They believe this figure will continue to increase...

We also operate the Clothing Box Programs that benefit **Luther North College Prep** as well as these Lutheran schools and other institutions: Camp Awana, Concordia Lutheran Church, Family in Faith/Abba Christian, Grace English Lutheran School, Messiah Lutheran Our Saviour Lutheran, St. John's Lutheran, and St. Paul Lutheran.

C4C Clothing Donation Placement Form

*Name of Business: _____

*Address of Box: _____
