

# 2016-2017 High School Resource Pack

## HIGH SCHOOL CHOICES

### Parochial High Schools

#### **Luther North College Prep**

Discounts may be offered to early applications.

Admittance Test in December includes the Entrance Test, Scholarship Test, and Placement Test. Many of our students have won scholarships.

CLEF normally gives scholarships, which the High School may award, to students through an application process.

PTL scholarship is a one-year \$500 award.

#### **Catholic High Schools**

Each school has slightly different criteria. All require an entrance exam in January.

### Public High Schools

#### Local attendance high school

Local school will accept all students into regular programs. Nothing special needs to be done.

#### **Magnet High Schools and I.B. Programs**

They require special applications per school. Most require a teacher's recommendation. Some will require a student to write an essay or do a performance. You need to plan ahead for these applications. Applications incorrectly filled out are automatically rejected.

#### **Selective High Schools**

All forms are processed at the CPS building downtown. Normally, there are 15,000 students applying for 3,000 openings. There are three criteria used to determine who is even considered for admittance. Applications incorrectly filled out are automatically rejected. Criteria and procedures change yearly. Check the link above for the current requirements.

#### **Charter High Schools**

These schools are independently operated and not subject to the same state laws, district initiatives, and board policies as traditional public schools.

**SHADOW DAYS** are not excused days from St. John's. Plan to shadow on our ½ days in the afternoon. Make sure you visit the open house.

# High School OPEN HOUSE DATES

DePaul College Prep.....	Thursday, October 13, 2016 .....	6:00 – 8:00pm
St. Patrick High School.....	Thursday, September 15, 2016 .....	6:00 – 8:00pm
