ELECTRONIC GIVING.. Summer is upon us, and as we enter this time of "relaxation" and "vacation," many of us have a very full calendar. We enjoy sports events, camping or outings with our families, and friends. These are all good gifts of leisure from our heavenly Father. As we receive these gifts, however, it sometimes is easy to forget to return some other gifts to Him. We may be out of town on Sunday and miss the Divine Service here, and in so doing, our financial gifts that come from Him do not always make it back to "the plate." This makes it a little more difficult to support the mission and ministry that the Lord works here. St. John's has arranged a method to give electronically, with a simple way to set up Electronic Fund Transfers from your checking or savings account into St. John's. You can arrange the amount and the frequency of giving in this method, and designate what you wish to be given to the General Fund, Build St. John's, etc. Nancy Gundlach or Tim Wier can describe the process to you and answer any questions.

A dad is someone who wants to catch you before you fall but instead picks you up, brushes you off, and lets you try again.

A dad is someone who wants to keep you from making mistakes but instead lets you find your own way, even though his heart breaks in silence when you get hurt.

A dad is someone who holds you when you cry, scolds you when you break the rules, shines with pride when you succeed, and has faith in you even when you fail.
