

2017-2018 High School Resource Pack

HIGH SCHOOL CHOICES

Parochial High Schools

Walther H. S.

Discounts may be offered to early applications.

Pre-register for all Entrance Test.

CLEF normally gives scholarships, which the High School may award, to students through an application process.

PTL scholarship is a one-year \$500 award.

Catholic High Schools

Each school has slightly different criteria. Pre-register for all entrance exam in December and/or January.

Public High Schools

Local attendance high school

Local school will accept all students into regular programs. Nothing special needs to be done.

Magnet High Schools and I.B. Programs

They require special applications per school. Most require a teacher's recommendation. Some will require a student to write an essay or do a performance. You need to plan ahead for these applications. Criteria and procedures change yearly. Check the link above for the current entrance requirements.

Selective High Schools

Parents need to apply online asap for a CPS # so you may fill out your application online and get your student an entrance testing date. Normally, there are 15,000 students applying for 3,000 openings. There are three criteria used to determine who is even considered for admittance. Criteria and procedures change yearly. Check the link above for the current requirements.

Charter High Schools

These schools are independently operated and not subject to the same state laws, district initiatives, and board policies as traditional public schools.

SHADOW DAYS are not excused days from St. John's. Plan to shadow on our ½ days in the afternoon. Make sure you visit the open house.
