How it works!

- Once registered and a membership agreement has been completed, students are members until written termination of membership has been received. No re-registrations! No session dates! Membership and monthly tuitions are ongoing all year round unless a written 30 day advanced Temporary Membership Break or Member Termination request has been received. Students on Membership Breaks are NOT considered current members and are not eligible for Member Benefits.

- First month’s tuition is due at the time of registration and monthly membership class tuitions will be charged between the 1st and 5th of each month. Check, cash or alternate credit card payments may be made before the end of the prior month to avoid charges to the provided credit card on file. Monthly tuitions will not be reduced due to holidays or gym closings (last week in December and the week before Labor Day). Tuitions are based on a year round schedule.

- A 10% sibling discount is offered to the youngest family member’s class tuition as long as the older sibling is an active member and a 10% discount is offered for any additional class per week in which your child is enrolled.

- Only students with a membership agreement, who are currently enrolled in classes and pay class tuitions are considered members and are eligible for Member Benefits, which include: Special Discount for Birthday Parties, Private Lessons, Saturday Special Events and 50% Discount on our new Add On Gym Play Times.

- Rebounders DOES NOT follow Baltimore County Closures. In the event of inclement weather notification will be sent via email, posted on our website and also left on the answering services. Please call before coming to class.

- Make up classes may be scheduled through our calendar (One make up/month).

- Our Late Pick Up policy is as follows; There is a five minute grace period that is allowed from the end of class. A first offense will result in a written warning to the parent. A second offense will result in a charge of $1.00 per minute after the initial 5 minute grace period. All children are required to be picked up inside the building.
PARENT-CHILD PROGRAM:
Activities including music, gross motor and sensory exploration. Classes follow an obstacle course format with special pre-school equipment allowing toddlers to increase their strength, flexibility, balance, body awareness and listening skills. Parents will have the opportunity to learn safe spotting techniques to help their toddler develop beginning gymnastics skills.
