

Getting Started with Zinio:

You will need to create two Zinio IDs.

One is for the library subscription – this allows you to search our magazine list and checkout issues
The second is a general Zinio account -this allows you to read your downloaded magazine issues.

1. [Click here for the library's Zinio webpage.](#)

Select **Create New Account** from the top right of the page.

Enter in your library membership number e.g. A123456

Enter in your email address and a password (must be 7 characters or more and include numbers)

You can now search and checkout magazines.

2. To read your selected magazines you will need to have a general Zinio account.

Use the same email address and password that you used for the library Zinio account – this will save you remembering two account “sign ins”.

Your Zinio account can be accessed on any device:
