

# the tech room

Weird techie stuff.

**Select an object from the Thingiverse.com and we will print it !**

- Go to the Thingiverse website [thingiverse.com](http://thingiverse.com)
  - Browse Thingiverse to find an object to print
  - Select **'download file'** or **'download all files'**
  - Open zip file to find required 3D object file (or **.stl** file)
  - **Save your file to a USB**
  - Bring your USB into the library for us to print your file! (you can even select your preferred colour!) \*Please use the envelope provided.
- 
- You must have a **current Mid North Coast Library Service library card**
  - Printing costs \$1 per hour of print time, advised at time of submission.
  - We will contact you when the item has been printed
