*"Children love music. It can comfort,  
entertain and divert. Musical activities  
make communication fun and can assist in  
your child's early language  
development. Children gain confidence  
through knowing rhymes and being able to  
join in.*

*Each Music for Toddlers session will give  
parents lots of fun & practical ideas to try  
at home. Sessions will focus on rhythm,  
cooperation, listening & social skills,  
expressing ideas through movement &  
actions. Children & Parents/Carers will  
learn in a safe & relaxed environment! "*
