*******Parents/Carers will need to stay and join in the fun!**

"Children love music. It can comfort, entertain and divert. Musical activities make communication fun and can assist in your child's early language development. Children gain confidence through knowing rhymes and being able to join in.

Each Music for Toddlers session will give parents lots of fun & practical ideas to try at home. Sessions will focus on rhythm, cooperation, listening & social skills, expressing ideas through movement & actions. Children & Parents/Carers will learn in a safe & relaxed environment! "
