

Jennifer Calvert

Every cat has a story....

And Polly Rocket is no ordinary house-cat!
She has an extraordinary secret.
One that only her silly, slobbery boxer-dog
pal, Butterbean knows about.

Join the unlikely duo on their fantastic
adventures, and along the way watch as
Polly teaches Butterbean how to be brave.

A beautifully illustrated story, with
loveable characters and key messages
of friendship, bravery and kindness.
An empowering read for children, letting
them know that, sometimes, it's okay to
feel scared.
