

SPRING - 2003

SURVIVOR

Count Down to BUCKO 2003

I can't believe that Camp is around the corner; actually it's only 105 days away! I can't wait for all of you to see our new home at the Kinark Outdoor Centre. They have high rope courses, lunches on a pontoon boat, a drama centre and much more. Don't worry, we didn't forget about the dance! This edition of **SURVIVOR** includes contest winners, great pictures, and thoughts from a VIT. Don't forget to enter the latest contest; I heard that the prizes are really great. I look forward to seeing all of you at camp!

Picture Contest Winners

BUCKO Spirit

Bradley and the catch of the day.
BUCKO kicks Bass!

Congratulations to Bradley and Brandon for their winning entries in the photo contest. Both campers received a Kodak 35 mm camera along with lots of film, courtesy of Kodak Canada. Watch out! They might snap your pic at camp this year.

Audrey received a special prize, stationary and stamps, for sending in this 'Caught Ya!' picture.

Brandon & his cabin mates, goofing around!

Ability Online

Camp BUCKO now has a conference room on the Ability Online website,

www.abilityonline.org.

Be sure to check it out and sign up, only BUCKO campers will be able to register for our room. It is a great way to chat with other campers or leave messages for your friends. If you have any questions, send us an email through the BUCKO website..

Annual Camp BUCKO Award

Here is Melissa, BUCKO director and volunteer, presenting the 2002 award to the Barrie Firefighters in appreciation of their generous and loyal support.

Meet The Camp BUCKO Committee

Hello campers! My name is Laura Beaune and I have been a volunteer and a member of the Board of Directors with Camp BUCKO almost since it all started, about 8 years ago! I am also now the Vice President of the camp's Board of Director's, which is a fancy way of saying that I help out the President. I also help with the volunteer program for camp.

Here's a little bit more information about me: I have worked at The Hospital for Sick Children for about 11 years and was the social worker on the Burn Unit for about 7 years but I am now the Palliative and Bereavement Coordinator at the hospital. I just got married in July last year and my husband, Peter and I are having a great time in our new house in Toronto. We both like to camp and we play a lot of sports, mostly football!

I have volunteered at camp a few times and I am hoping to come to camp as a volunteer again this summer. I hope you are all very excited about our new camp, the Kinark Outdoor Centre, although I am sure that we will all miss Camp Hollyburn, since that is where it all started! Wishing you a wonderful year and look forward to seeing you in the summer.

Was a Blast!

SURVIVOR Draw Winners

See You At Camp!

I love Camp BUCKO! I can't wait until August when I go again. I love the rock climbing best. It is fun. Archery is fun too! See you at Camp BUCKO.

on their overnight.

We All Take Part

Families from the community can help save the earth by recycling and car-pooling. We will all know that people's actions are saving the earth if they are picking up garbage and recycling. People who don't recycle are poisoning other people because they put things in the garbage and it goes to the dump. The garbage in the dump makes a liquid and it goes in the sewer. Then it works its way into the tap. So it's important that we take good care of the earth!
