Family Camp

Camper Elizabeth writes:
"Family camp was amazing. It's great getting to show my parents around Camp. I especially enjoyed seeing all of my amazing BUCKO family again. Whenever I am at family camp it feels like an extension to the all of the fun that I have at camp in the summer. I know I am able to speak for my whole family when saying that we all had an AWESOME time at family camp!!!!!!!"

Parent Roy writes:
"Family Camp is something that we look forward to every year. Not only do we have a great time getting a taste of what the kids experience in the summer, but it also fosters a sense of community where we can share our experiences and network with other families."

BUCKO at the Hockey Game

Wow...Toronto Maple Leafs ...First time to a hockey game and what an experience.....My name is Eric and my dad's name is Dan. We had the privilege of receiving the tickets that were donated to Camp BUCKO.....Another memoryThank you so much for this opportunity that you shared ...My dad and I are gratefulThank you

On February 16, my boyfriend, Jon, and I had the wonderful privilege of hosting 8 BUCKO campers and their families at the Toronto Marlies hockey game at Ricoh Coliseum!! It was awesome to see some of the BUCKO family outside camp and to see everyone enjoying themselves as we watched the Toronto Marlies play the Utica Comets. Although the Marlies lost in the last minute of the game, we all had a wonderful time cheering for the Marlies and sharing some good laughs with great friends! What a lovely way to spend Family Day! :)

Dance Theme

HeIIIIIIIIlooooo Campers & Volunteers!!!!!! Have you ever stood in front of the mirror in the bathroom and sung out loud??? How many of you have sung in the car to the radio when your favorite song has come on?? Maybe you remember the time that your whole cabin broke out in song and started singing the same song together...well, this year's theme at BUCKO issssssss.... you are all ROCK STARS!!!!!!

That's right Campers, when you come to this year's Dance, you can come as your favorite ROCK STAR!!!!!! We already think you are all ROCK STARS just the way you are, but for the dance....feel free to Rock the look of Drake, Lorde, One Direction, Bruno Mars, Keith Urban, Pharrell Williams, Tim McGraw, Pink, Justin Timberlake or for those of you who are a bit more Old School, what about Bon Jovi, The Beatles, KISS or U2!!!!!! It is all up to you....WHOEVER you like and want to come as!!!!!!

Our roadies have been hard at work preparing for the arrival of so many Rock Stars, the people at Stub Hub are ready for the ticket frenzy that is sure to come as a result of so many ROCK STARS being in the same place at once and our security team is in place as we know the paparazzi will be slithering around trying to catch a picture of all of you.

So come on out to the ROCK STAR DANCE at Camp BUCKO 2014, it promises to be THE EVENT of the YEAR!!!!!!

We can't wait to see you all!!!!!!

Wrist band policy in effect!!!!!!

Camp BUCKO Around the World

Oh Well look at that - the weather is finally starting to turn warm and you know what that means! Time to pull out your Camp BUCKO t-shirts and wear them out and about in your neighbourhood!

Since we all look so good in our BUCKO gear why not snap a picture and email it to buckopictures@gmail.com. We could then post your picture on Facebook and twitter for everyone to see how good looking the BUCKO crew is! Facebook? Twitter? Didn't know we were so tech savvy...SURPRISE! If you have not done so already, like us on FACEBOOK at Camp BUCKO and of course follow along on Twitter

@camp_bucko. When you are emailing those pictures make sure you tell us where it was taken so we can pin point that on a map which we will post at camp. Try to make sure the BUCKO logo can be seen. It will be fun to see how far reaching the BUCKO good vibes have spread. Here is a sample of what we are looking for; this photo was taken in Las Vegas Nevada.

BUCKO at the IAFF Conference

BUCKO sent me to Washington!!!

This year I was lucky enough to be chosen to go to the IAFF Conference in Washington D.C. It was an amazing opportunity and a long but exciting adventure, from getting my passport, to going on my first ever flight and most exciting, arriving in Baltimore, Washington! I met fire fighters and burn survivors from all around, all of which were amazing people. I was fascinated by seeing the difference between Canadian and American customs; there is so much I didn't know. I made great friendships and tried to pick up on the American accent (that didn't turn out well), although at the same time finding I had an accent all of my own. We went everywhere and learned so much while having a great time. Although my favorite part had to have been meeting people from the Washington Post, I hope to be working there as a journalist when I'm older and going to my first ever baseball game and having an unlimited amount of food, nachos, chilli dogs, pretzels and more but my counsellor Andrew definitely showed me that he could eat more. I was truly lucky and couldn't be more thankful, I hope whoever gets to go next year has as good a time as me.

Thanks again BUCKO

We don't know what to say but thank you so much. Gordie was in shock at first and very shy and then ear to ear smiles. Once Steve left, Gordie opened up to share his surprise and happiness. Congratulations to everyone, video game party at our house. Thank you to the donor, they just made one little boy the happiest kid in the world.
Love Gordie & Family
