

THE METHOD

Italian language.

The ABC School - Palazzo Malvisi carries out research in the field of linguistics and paedagogy according to the "Direct Teaching Method" and takes into account the various existing trends in didactics especially regarding a solid grammar base.

The teachers costantly attend courses covering these new methods: their knowledge is always up to date; they are selected carefully with attention to teaching abilities as well as personality. They are welcoming, friendly, confident with students and put them at their ease.
