

## What our students' parents say about our high schools...

- "Great improvement in study habits and motivation."
- "The schedule is flexible, the ability to come in and comply with their hours helps students plan their schedule around employment."
- "It's great to see that there is a second chance for a child that has left the conventional school. My child is now confident and has goals for her future."
- "I thought your teaching methodology was great, and you have encouraged him to go far in life."
- "This school was able to help him achieve something the regular high school could not have."
- "My son has experienced fulfilling educational opportunity."
- "The school has been a positive influence on her and is a great opportunity for a big sector of today's youth."

Graduations in September, December, March and June.
