# Preschool Summer Camps for 2019

**Camp #1**    **May 28-31**            **Outdoor Explorers:**    Your child will explore the great outdoors and our local wildlife this week. We will also touch on outdoor safety and animal safety.

**Camp #2**    **June 3-6**                **Expedition To Space:**    Perfect for future astronauts! This week we will explore different galaxies, solar systems, star constellations, and planets.

**Camp #3**    **June 10-13**            **Little Meteorologists:**    This week your children will have the opportunity to learn more about how our earth's weather works. They will also explore the different ways meteorologists find out what our weather will be like in the coming days.

**Camp #4**    **June 17-20**            **Healthy Me:**            We will learn about choices we can make to take care of the bodies God gave us so that we can be all that we can be.

**Camp #5**    **June 24-27**            **Puppets and Theater:**    We will have fun dressing the part and acting out different types of characters from stories. And we will make a different type of puppet each day. This will help build confidence and creativity.

**Camp #6**    **July 1-2-3-5**            **Handy Hands:**            What can we do with the gift of our hands? We can try new sensory mediums to expand our knowledge as well as explore ways to serve others with our hands.

**Camp #7**    **July 8-11**                **Camping:**            Come explore the world of camping when we learn about sleeping in the great outdoors. We will learn to cook outdoors by making our very own solar oven to make s'mores. We will learn to pitch a tent, use nature to create our very own crafts, and discover the great outdoors when we embark on scavenger hunts.

**Camp #8**    **July 15-18**            **The Human Body:**    Head, shoulders, knees and toes! But that's not all. Let's come take a closer look at all of the parts that make up our human body. We will create our very own set of lungs, explore digestion, and learn how our DNA makes us who we are!

**Camp #9**    **July 22-25**            **All Things Art:**            Let's dive into the world of art! We will learn about famous artists from the past. We will learn about abstract art, create our very own self portrait, and explore our own individuality in our very own works of art.

**Camp #10**    **July 29-Aug 1**            **World Travelers:**    Take off to an adventure that will take us on a trip around the world. We will learn about many different cultures around the world through food and art. We will all have an opportunity to share a little bit of our own heritage, all while celebrating our differences that make us unique!
