The Telethon is a fundraiser and it is greatly appreciated when talent is able to present a check from a fundraiser prior to the Telethon or brings along a fistful of pledges collected prior to the Telethon. We also encourage performers to contact family and friends to phone in pledges during the Telethon.

I will be presenting a check

I will have pledges to read

Please note: It may not be possible for YOU to read all of your pledges at the time of your performance. That depends on how close we are to following our schedule. Your pledges may have to be read at a later time by our hosts. Perhaps not all of your donors want their pledges read. **It would be a tremendous help if you can consolidate your pledges into one list that can easily be read.**

Direct your questions about recorded music/sound system to Greg Semanco at 570-573-4591 or at gsemanco@verizon.net.

Please remind our host of any important information you want mentioned BEFORE you are introduced to perform.
