Question	Answer						
Which airport do I fly into to attend the seminar?	<p>Seattle Tacoma International Airport also known as SEATAC International Airport.</p> <p>The airport code for Seattle Tacoma International Airport is SEA.</p> <p>The address of SEATAC International Airport is: 17801 International Boulevard Seattle, WA 98158</p>

What are the travel costs to attend the seminar?	<p>This is a difficult question to answer exactly as it will depend on your departure location, flights and accommodations.</p> <p>On my (Chuck Daniel) recent trip to the WHF International seminar in Greece I had the following costs:</p> <table border="1" data-bbox="792 1577 1211 1814"> <tbody> <tr> <td data-bbox="792 1577 943 1654">Airfare</td> <td data-bbox="943 1577 1211 1654">1647.00 USD 1321.77 EUR</td> </tr> <tr> <td data-bbox="792 1654 943 1732">Hotel</td> <td data-bbox="943 1654 1211 1732">985.08 USD 790.54 EUR</td> </tr> <tr> <td data-bbox="792 1732 943 1814">Total</td> <td data-bbox="943 1732 1211 1814">2605.08 USD 2112.31 EUR</td> </tr> </tbody> </table>	Airfare	1647.00 USD 1321.77 EUR	Hotel	985.08 USD 790.54 EUR	Total	2605.08 USD 2112.31 EUR
Airfare	1647.00 USD 1321.77 EUR						
Hotel	985.08 USD 790.54 EUR						
Total	2605.08 USD 2112.31 EUR						

	<p>Note: i paid about 200 USD for comfort seating on the longest portion of the trip so I wouldn't cramp up. That is part of the Airfare total above.</p> <p>This doesn't include any meals or site seeing expenses.</p> <p>I flew Seattle -> New York -> Athens and then Athens -> Paris -> Seattle on Delta Airlines because they had the best connections for me. That means shortest amount of time on the plane and short layovers.</p> <p>I hope this will give you some idea of just the travel costs.</p>				
<p>What is Seattle area weather like in November?</p>	<p>The weather in Seattle is much cooler in the winter months than in the summer. For the month of November you can expect an average daily high of 51F or 10C and an average daily low of 41F or 5C.</p> <p>We wear clothes in layers so that we can add or remove clothing as it gets warmer or colder. This usually means having a sweater or fleece under a jacket.</p> <p>You should expect rain. Winter in Seattle has lots of rain. If you have a rain jacket or waterproof jacket, you should bring it.</p>				
<p>Currency</p>	<p>The currency is the US dollar. Most major credit / debit cards are accepted including Visa, Mastercard and American Express. I would say that Visa and Mastercard are accepted in more places than American Express.</p>				
<p>Who can I call if I have questions or need help when I arrive?</p>	<table border="1" data-bbox="732 1619 1268 1703"> <tr> <td>Chuck Daniel</td> <td>425.445.9000</td> </tr> <tr> <td>Jason Mix</td> <td>206.498.9149</td> </tr> </table>	Chuck Daniel	425.445.9000	Jason Mix	206.498.9149
Chuck Daniel	425.445.9000

<p>International Calling</p>	<p>There is a good tutorial on how to call the US from other countries here: http://www.howtocallabroad.com/usa/</p>				

In short you call the exit code of the country you are in followed by the country code of the country you are calling followed by the area code followed by the phone number.

So for example, to call Chuck's number above from Greece you would call:

00 + 1 + 425 + 445 + 9000

00 is the exit code for Greece. 1 is the country code for the USA. 425 is the area code. 445.9000 is Chuck's phone number.

In certain cases, like when your country exit code is 00, you can shorten the phone number you call to be +1 followed by the area code and phone number.
