

AUDACIA

159' / 48.5M FEADSHIP MOTORYACHT

AUDACIA'S 2011 REFIT

159' FEADSHIP MOTOR YACHT AUDACIA

Audacia has just finished an extensive refit done by Pendennis shipyard in Falmouth, England. Her new stern was completely redesigned in a more contemporary Feadship style, the swim platform was extended by 6'6"/2 meters; a pair of curving stairways, an outdoor shower and new underwater lights were added. In addition, new Quantum zero speed stabilizers, a retractable crane in the bow and new air conditioning condensers were installed.
