JEOPARDY! Review

Lilo's father: (Ring ring) Hello?

Stich: Hello. This is Stitch. May I speak to Lilo please?

Lilo's father: Okay. Just a minute.

(Lilo answers the phone)

Lilo: Hey Stitch! What's up? How's everything?

Stich: Did you hear about Mickey?

Lilo: Mickey? What's wrong with Mickey?

Stich: Poor Mickey has a fever. He went to Pooh Hospital near Disneyland last night.

Lilo: That's terrible. I hope he's okay?

Stich: He's okay now. But because I am busy studying for a test, I can't go to the hospital to see Stitch. If you have free time, can you visit him?

Lilo: Yes, I can go.

Stich: Thank you! Why don't you take flowers too?

Lilo: Okay I will. That's a good idea. Mickey probably got sick because of the cold weather. He must wear a jacket, when it is cold. Because tonight will be cold, you should also wear a jacket.

Stich: Oh really? What do you think the temperature will be tonight?

Lilo: I think it will be near 5 degrees.
