WE THANK GOD FOR THE LIFE, LOVE & ENCOURAGEMENT HE GIVES US THROUGHOUT OUR LIVES, THROUGH OUR MOTHER'S HEARTS! DAMOS GRACIAS A DIOS POR LA VIDA, EL AMER, Y LA FUERZA QUE ÉL NOS DA POR EL CORAZON DE NUESTRA MADRE.

Holy Mother Church

On this Mother's Day, we may wish to reflect on how God has given us the Church as a mother.

It is the instinct of a mother to give birth to her child, to nourish him or her, and to instruct and protect the offspring.

We find the birth of our spiritual life in the womb of the Church. We are brought to new life in the waters of baptism.

We are nourished by the Church especially in the sacrament of the Eucharist.

We are instructed by the Church in the wisdom it has accumulated over twenty centuries. The wisdom it has derived from the word of God, and it is passed on faithfully from one generation to another.

The Church wishes to keep her children safe. We are warned to avoid every form of immorality or false teaching. The leaders of the Church are not afraid to speak out in order to keep the children of the Church safe.

In comparing the Church to a mother, we cannot forget that the Church is in fact not a building by a community: the brothers and sisters of Christ. "Who are my mother, brothers, and sisters?" Jesus asked, "Everyone who hears the word of God and acts according to its teaching."

Today, on this Mother's Day, we show our appreciation for our earthly mothers. They have brought us into life and continue to love us. We also remember the community of Jesus, which is so happy to have us as part of its membership. We remember with gratitude the gifts God has given us through the Church. And we renew our loyalty to this family, which drew us ever closer to Christ.

La Iglesia, Madre Santa

Hoy, día de las madres, puede que debamos reflexionar acerca de cómo Dios nos ha dado a la Iglesia como una madre.

Es el instinto de una madre al dar a luz a su hijo o hija. El alimentario o alimentaría, el instruirle y protegerle.

Encontramos el nacimiento de nuestra vida espiritual en el vientre de la Iglesia. Se nos da una nueva vida en las aguas del bautismo.

Recibimos alimento de la Iglesia, especialmente en el sacramento de la Eucaristía.

Recibimos instrucción de la Iglesia de la sabiduría que ella ha acumulado a través de más de veinte siglos. Esta instrucción viene de la Palabra de Dios y es transmitida fielmente de una generación a la próxima.

La Iglesia desea que sus hijos estén sanos y salvos. Se nos advierte que evitemos toda inmoralidad o enseñanza falsa. Los líderes de la Iglesia no tienen miedo de expresar sus pensamientos para mantener a los hijos de la Iglesia sanos y salvos.

Cuando se compara a la Iglesia con una madre, no podemos olvidar que la Iglesia es, de hecho, una comunidad, no un edificio: los hermanos y hermanas de Cristo. "¿Quién es mi madre, y quienes mis hermanos y hermanas?" Jesús pregunta, "Todo aquel que escucha la Palabra de Dios y la pone por obra."

Hoy, día de las madres, demostramos el amor y agradecimiento que sentimos por nuestras madres humanas. Ellas nos han dado la vida y siempre nos aman. También recordamos la comunidad de Jesús, que está tan contenta de tenernos entre sus miembros. También recordamos con agradecimiento los dones que Dios nos ha dado a través de la Iglesia. Y renovamos nuestra lealtad a esta familia que siempre nos une más a Cristo.

Happy Mother's Day, Mom!

¡Feliz día de las madres, Mamá!

This is the **SIXTH SUNDAY OF EASTER TIME**, but of course the big, really big, deal is that we're celebrating **Mother's Day**! We celebrate all our masses this week-end in honor of our sweet mommas! We hug, kiss, and give flowers and gifts to those we are blessed to have here with us and we hug and kiss those who are already in Heaven as we remember and thank God for them at our celebration of the Sacred Mysteries of God's love in Christ, who took flesh beneath the heart of His Mother, Mary. Next Sunday, we'll celebrate the feast of the Ascension of the Lord. Thursday is the 40th day of Easter Time, but we'll all be together on Sat & Sunday.

This Sunday is Mother's Day and will be **our last Sunday in the Church for a while!** It'll be a beautiful day and then some inconvenience and stress as we adjust to using the Parish hall for Mass for probably around 9-10 months. It will be a little(?) disturbing and distressing, but we'll handle it well as our Parish has ever since the days of La Lomita. A guiding principle, since we first began to talk with each other about this project, has always been to repair and expand, but not to "modernize" or remodel. What you see when you drive up and when you come in will be pretty much the same, just roomier. Same brick, same floor tile, same windows (with some new ones) same façade, same sanctuary, (same old priests!).

Our dream of saving all we needed looked good until about six months ago. It looks more like we have 2/3-3/4 of what we'll need already saved. That means by the end of the project we'd need to borrow money to finish. The Bishop's finance council has pre-approved us for a loan if and when that time comes. We have two million saved: How much more will it take? Well, maybe almost another million. That'll give us plenty to worry about and work on! ¡Que cosas! Now, Mr. Noser, our contractor will be able to get the ball rolling. Yeah, it's turning my hair white, too, and Fr. Jim and Fr. Philion have lost theirs already! **It's gonna be a great adventure!** We'll all rise to the challenge! At the end of the 5:30 P.M. Mother's Day Mass we'll make a symbolic move in. A procession to the Hall carrying some of our "Sacred Stuff" and then be moving for the next few days. The Masses next weekend will be in the hall. Imagine that! We'll do it the "cowboy way;" smile and say it doesn't hurt, even though it does! If you have some interesting ideas about how we can adjust, adapt, enjoy the move and new situation of celebrating our Masses in the Parish Hall, let us know. We can get pretty creative.

Sacred Chalice, the Heart of a Mother, embracing Almighty God! If the waters should cease to flow, if the nations should fall apart and still there was beating a Mother's heart; that alone would be proof of the power of God's Love! ¡Cáliz sagrado el corazón de una madre, abrazando a Dios Altísimo! Si las aguas de correr, si los naciones se separan, y todavía late el corazón de una madre: eso solo será prueba del amor de Dios.

FELIZ DIA DE LAS MADRES A TODAS NUESTRAS QUERIDAS MADRES, ABUELAS, Y BISABUELAS!! Por medio de ellas, Dios no has dado vida y amor y nos has sostenido en la vida y cultivado en el amor. El amor maternal es una de las manifestaciones e instrumentos más profundos y poderosos del amor de Dios, vivo y activo en nuestras vidas. Honramos a todas nuestras madres con amor tierno, con oraciones sinceras y con generosidad cariñosa. Celebramos la santa misa en acción de gracias por las muchas bendiciones conocidas y todavía no conocidas que Dios nos ha dado por medio de nuestras madres. Los abrazamos y besamos físicamente a las que están aquí celebrando con nosotros, y espiritualmente a las que están en el cielo apoyándonos todavía con amor y oraciones.

"HIS MOTHER KEPT ALL THESE THINGS IN HER HEART AND JESUS GREW IN WISDOM AND IN STATURE, AND IN FAVOR WITH GOD AND MAN." (LK 2:51-52) EVERY MOTHER KNOWS THE SAME JOYS AND THE SAME ANGUISH AND HAS THE SAME HOPES THAT HER CHILDREN WILL "GROW AND INCREASE IN WISDOM AND IN STATURE..."

May is the month of Mary. You're welcome to come by and pray the rosary and offer flowers every day at 6:00 P.M. and Sundays at 4:00 P.M.

MAY IS FULL OF THINGS DEAR TO A MOTHER'S HEART!

We celebrated our **FOUTH & FIFTH First Communion Massess** last Friday night & Saturday morning with a lot of love and faith and hope for God's beautiful sons and daughters who received Christ in Holy Communion of the first time. What a beautiful mystery! **Congratulations to all our First Communion classes, teachers, parents, padrinos, abuelos, and to our whole parish!** It's a real healthy sign of Christ's love, alive and active in our families and so in our parish and so in **us!** Two more to go & they'll be celebrated next weekend in the Parish Hall!

DID YOU FORGET OR OVERLOOK IT? (or just "blow it off?") PLEASE TAKE AN ENVELOPE & PITCH IN WHAT YOU CAN!

THIS month (May) we conclude the **BISHOP'S ANNUAL APPEAL**. He (& we) was hoping and praying for **100%** participation. No big goal, **JUST THE HOPE THAT EVERYBODY WOULD PITCH IN SOMETHING. HAVE YOU? WELL, YOU GOT THIS MONTH TO DO IT! THE RESPONSE SO FAR IS PRETTY WIMPY!** The Bishop's dream that we'd all make some sacrifice (a few bucks even!) is a healthy one, a dream and prayer for a healthy, robust Church. I thought our Parish would be one of the top contributors, but so far, **WE'RE NOT!** **The Church needs and counts on your generosity!!** We know it ain't easy in these days of soaring gas prices & economic recession. Remember the parable of the poor widow. Her "little bit" was magnificent in God's eyes. That's really how it is! That's what Bishop Daniel is talking about when he says, "I'd rather have 500,000 poor people each give us two bucks than have one rich man give us a million!" (Not that we'd turn down a million!) **So, let's ALL pitch in SOMETHING!** Thanks to the Bishop's Appeal we can get the credit we may need to complete our **BIG** project!!

WHAT ABOUT OUR GRADUATION MASS? Well right now it looks like the best deal will be the **3rd of June at 9:00 A.M.** By then we'll probably be in the Parish Hall. It'll be a beautiful day in the neighborhood. If you're not in one of our Senior Youth Groups or you are a University graduating Senior and want to come to the Mass, we'd be proud to have you. If you can call the office and give us your name and where you're graduating from, we'll get it on the program. **We are all sure proud of all of our graduates!**

Last Week's Collection: \$14,268.08

We will tenderly and lovingly remember all our sick friends and parishioners at all our masses. Also, please remember in your prayers, †Gabriela Rivera, †Emma Ariaga, †Rafael Atilano, †Angela Lopez, †Refugio Contreras, and †Harold Rennpage (a Winter-Texan), †Oralia R. Cardoza (Funeral Monday, May 14th, 10 A.M.) & †Dario Gonzalez (Funeral Tuesday, May 15th, 10 A.M.) who died last week, and their families in their great sorrow. Que brille para ellos la luz perpetua.

****Our noble and great hearted "maestro" del Mariachi Guadalupano, Joe Rodriguez, is in rehab right now recuperating from a stroke. His great spirit (God's spirit in him) is indomitable. We're looking forward to welcoming him back home soon and we're sure missing him while he's gone! Keeponkeepinon, Joe!**

Mother's Day Novena Prayer

Lord Jesus, send your gracious blessings on Mothers everywhere. Bless the Mothers of newborn babies. Give them joy and excitement in nurturing new life. May they always mirror Your love in the care and guidance they will give. Bless the Mothers of young children. Give them understanding and guidance to instill true values in their children. May they teach by their wisdom and courage to lead their children to adulthood and mature Christian faith. Enlighten them to know when to be gentle and when to be firm. Bless all Mothers Lord, help them as their children grow older and need them less, to find joy, and peace and rest. Give them good health. Give them the joy of seeing their families prosper. And bless them with the grace of watching their families grow closer to God by living the message of Your Gospel. We ask this Lord, in Your name. Amen.

A wonderful song for our MOTHER'S DAY mass is Randy Travis', "Angels." Check it out:

Me and some of the boys were sitting
around the other night
Started talking about politics, religion, love
and life
And what a shame it was about 9/11
And what about hell and what about
heaven
And is there or isn't there angels on earth
And then one guy said
Well you can take that for what it's worth
If it's something I can see or something I
can touch
Well I might believe in all that stuff
So I just had to say to him

Are you telling me that you've never seen
an angel?
Never felt the presence of one standing
by?
No robe of white
No halo in site
Well you missed the most obvious thing
Man, are you blind?
Just look in your mothers eyes

And then I said who went through the pain
And smiled through the tears on the day of
your birth?
She counted your fingers and toes and
thank god you were whole

Son you outta know who loved you first,
that's right
And who always came running everytime
you cried out
And how many more things have you
forgotten about
And who tried their best to teach you
wrong from right
And how many nights did she leave on the
light
While she waited and prayed that you
came in
And who'd be there for you right up to the
end
Think about it tonight

Are you telling me that you've never seen
an angel?
Never felt the presence of one standing
by?
No robe of white
No halo in site
Well you missed the most obvious thing
Aww Man, are you blind?
Just look in your mothers eyes

Aww Man, are you blind?
Just look in your mothers eyes

That's right
