TUESDAY AND THURSDAY CHAPELS will be preaching chapels, held in the NTS Chapel, at 10:30am. These will be Word-driven chapels using the lectionary readings and prayers. President Busic will be leading a preaching series based on the Lord’s Prayer in Matthew, using a theme of “Kingdom Come.”

MONDAY CHAPELS will be “text to sermon” expositional bible studies led by Dr. Hahn and will meet in the Formal Lounge at 10:30am. Bring your Bibles and laptops and be prepared to study the Sermon on the Mount with one of the premiere Matthew scholars in our church.

Each month, September to November, we will have a time for COMMUNITY FELLOWSHIP and communal dialogue in the Baber Commons.
